The Restaurant Diet Fred Bollaci, 2019-10-15 Eating Out Can Be Healthy Too The ultimate guide for dining out guilt free The Restaurant Diet now in its second edition offers a diet plan that takes pressure off dieters who don't always have time for healthy cooking Using his easy to follow plan author Fred Bollaci lost 150 pounds and kept them off The secret to a plan you can maintain Fred Bollaci grew up in an Italian family When his parents divorced he developed eating compulsions He tried every fad diet and every new food recipe book but failed to find a lasting solution With the help of his doctor a nutritionist a trainer and a psychologist he was able to devise a four phase diet and exercise plan that worked In this book Fred reveals the real secret it's about why one overeats in the first place Fred shares how to tackle emotional issues that lead to compulsive overeating through an integrated spiritual approach Why integrating spirituality is so important After a near death experience and spiritual awakening Fred learned to like and eventually love himself enough to get his priorities straight lose a ton of weight eat better exercise and adopt an attitude of gratitude for his miraculous second chance He has discovered his life's purpose found true happiness and contentment improved every area of his life and lives a life he never could have imagined Fred has helped coach and inspire hundreds of clients to lose thousands of pounds with his compassionate approach He looks great feels great and can enjoy a healthy gourmet lifestyle wherever he is If he can become his best self then you can too Tips in *The Restaurant Diet* include how to Read a menu Ask key questions of the restaurant staff Integrate a spiritual component into your diet and exercise plan Readers who have tried books like *Keto Meal Prep* by FlavCity *Keto Restaurant Favorites* or *Eat What You Love* will appreciate the tips and advice in *The Restaurant Diet* 2nd Edition [How I lost 50,5 kgs in 5 month and 5 days. A history of 1061 days of failures and a path to success.](#) Piotr Konopka, This book is my story It's about success the road to it there's a bit of theory But mostly it's about practice how in 158 days the title 5 months and five days I changed my life and lost 50.5 kg A hilarious picture of Pawel Jaronski is circulating the web a doctor diagnosing a patient saying You are fat Please don't be fat The patient thanks him and the consultation is over Much weight loss advice looks similar Seemingly simple advice that only looks good on paper Or in a world of superheroes endowed with superpowers This is not a book for superheroes Nor is it a book written by a superhero It is a story about how to win despite stumbles and failures How to learn lessons How to pick yourself up after successive falls You will only find advice that works in everyday life You will get practical advice tailored to the busy lifestyles of today's world Based on factual foundations and the knowledge of experts in many fields but is complemented by the true story of a man who has faced himself Or that's what superheroism is This book is a record of my story I won't describe my life but I will discuss almost four years It will be about success but also the road to it The first part concerns the period from 23 August 2019 to 18 July 2022 That is 1 061 days which can be seen as a period of failure Or to paraphrase Thomas Edison it was a period in which I discovered 1061 ways to lose weight that didn't work The second part was the 158 days actually the eponymous five months and five days during

which using the experiences I had gathered I changed my life and lost 50.5 kg To lose weight I had to suffer from depression and stage III obesity Sometimes people with depression say they woke up driving a car in a head on collision Me I feel like I woke up in the vicinity of a coffin with a box of pizza in my hand The fact that I have lost and continue to lose weight is the result of the sum of my experiences not a magical transformation This is only a book for some I am not a doctor although doctors do appear in it This is not a book to diagnose endocrine disorders or other illnesses see a doctor about those I will not help you all But if at least a few people benefit from my story I will still be happy The fact that I have a circle of people supporting me is lucky Some people are not so fortunate But it's worthwhile then to seek help from professionals psychotherapists psychologists who can help in such a situation But if my experiences are to help at least one person it is worth sharing such knowledge That is why this book was written
