neighbor's death was murder. It's not too long before she's in way over her head with the hunky police chief, a dysfunctional family full of possible killers, and yet another mysterious and handsome man whose attentions she's unable to ignore. Gladie is clearly being pursued either by true love or by a murderer. Who will catch her first? Citizen Pain. Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie is always looking for love. But when an unbearable toothache knocks her out of commission and into the dentist's chair, she prays only for relief. No such luck. Emerging from an anesthetic haze, Gladie awakes to find that not only is her tooth still throbbing but her dentist is dead and the lead suspect in the murder, office receptionist Belinda, just so happens to be Gladie's first real client. Now it's up to Gladie to find Belinda, a man, and keep her from being locked up behind bars. As if that weren't enough distraction, two gorgeous men are vying for Gladie's attention: Spencer, the playboy chief of police, and Holden, Gladie's secretive, gorgeously muscled neighbor. Still, Gladie's not complaining about having a helping hand or two when the case leads her to a dangerously bizarre cult. She may have met her match, and if she's not careful, it could be her last. *The Wizard of Saws*. Five months have passed since Gladie Burger came to Cannes, California, to join her eccentric Grandma Zelda in the family matchmaking business, and Gladie is quickly mastering the rules of attraction. Her latest fix-up is still going strong, and Gladie's bank account is back in the black until a rival matchmaker arrives in town and has both Gladie and Zelda seeing red. Not only is self-proclaimed psychic Luanda Laughing Eagle stealing Grandma Zelda's clients, but Zelda is convinced that Luanda's ESP is total BS. She tasks Gladie with exposing Luanda as a fraud, but Gladie's attention is diverted when murder comes calling. Spencer Bolton, the gorgeous chief of police and Gladie's on-again-off-again flame, wants her to stay out of the investigation and away from the deliciously chiseled detective who also aims to win Gladie's heart. But the one thing Gladie's learned is that in business, love and murder, it's always personal. *Field of Screams*. Since joining the family matchmaking business run by her eccentric and psychic Grandma Zelda, Gladie has had little success. Involved on one level or another, hot sex, almost committed and crying in her pillow with three men, Gladie distracts herself by giving up on matchmaking and starting a new career. But when Gladie stumbles on body parts of dead baseball players all over town, she's dragged into solving yet another murder mystery. With her life in chaos and the killer getting closer, Gladie has to come to terms with the fact that love is murder. **The**
