Goodreads Choice In The Us:

Focus On: 100 Most Popular American Internet Celebrities Wikipedia contributors, *They Called Us Exceptional* Prachi Gupta, 2024-08-20 In this vulnerable and courageous memoir Prachi Gupta takes the myth of the exceptional Indian American family to task The Washington Post I read it in one sitting Wow It aims right at the tender spot where racism sexism and family dynamics collide and somehow manages to be both searingly honest and deeply compassionate Celeste Ng New York Times bestselling author of *Little Fires Everywhere* A SHE READS BEST BOOK OF THE YEAR ONE OF THE BEST BOOKS OF THE SEASON The New York Times The Washington Post The Boston Globe Bustle How do we understand ourselves when the story about who we are supposed to be is stronger than our sense of self What do we stand to gain and lose by taking control of our narrative Family defined the cultural identity of Prachi and her brother Yush connecting them to a larger Indian American community amid white suburbia But their belonging was predicated on a powerful myth the idea that Asian Americans and Indian Americans in particular have perfected the alchemy of middle class life raising tight knit high achieving families that are immune to hardship Molding oneself to fit this image often comes at a steep but hidden cost In *They Called Us Exceptional* Gupta articulates the dissonance shame and isolation of being upheld as an American success story while privately navigating traumas the world says do not exist Gupta addresses her story to her mother braiding a deeply vulnerable personal narrative with history postcolonial theory and research on mental health to show how she slowly made sense of her reality and freed herself from the pervasive reductive myth that had once defined her But tragically the act that liberated Gupta was also the act that distanced her from those she loved most By charting her family's slow unraveling and her determination to break the cycle Gupta shows how traditional notions of success keep us disconnected from ourselves and one another and passionately argues why we must orient ourselves toward compassion over belonging

Summary of Reminders of Him Alexander Cooper,2023-01-16 Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there s been a lot of energy among her fans around the appearance of her freshest book What s more it s free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn t know whether her books were really a solid match for me but I ve been

in the disposition for some feeling as of late so I regularly Hoover's latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn't really what I'm into which is perhaps why I didn't see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I'd will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty's passing After the incident she'd learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty's dearest friend who she hadn't met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it's meaning to be Thusly if you want a misfortune y feeling you'll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you'd expect from a pre-arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could've transformed into a semi-putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all-around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn't really set up dressed somewhat provocatively and wasn't the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book *Sisters in the Wind* Angeline Boulley, 2025-09-02 From the instant New York Times bestselling author of Firekeeper's Daughter and Warrior Girl Unearthed comes a daring new mystery about a foster teen claiming her heritage on her own terms Ever since Lucy Smith's father died five years ago home has been more of an idea than a place She knows being on the run is better than anything waiting for her as a ward of the state But when the sharp-eyed and kind Mr Jameson with an interest in her case comes looking for her Lucy wonders if hiding from her past will ever truly keep her safe Five years in the foster system has taught her to be cautious and smart But she wants to believe Mr Jameson and his friend not friend a tall and fierce-looking woman who say they want to look after her They also tell Lucy the truth her father hid from her She is Ojibwe she has had a sister and more siblings a grandmother who'd look after her and a home where she would be loved But Lucy is being followed The past has destroyed any chance at safety she had Will the secrets she's hiding swallow her whole and take away any hope for the future she always dreamed of When the past comes

for revenge it's fight or flight Angeline Boulley's award winning canon of books puts compelling characters and fast paced action at the center of narratives rich in historical context Read *Firekeeper's Daughter* Warrior Girl Unearthed and the soon to be released *Sisters of the Wind* in any order but like the world itself there are echoes within each for the other stories Pick this up if you love quiet girls with dark pasts explosive opening scenes wolves in sheeps clothing
