

Murder By The Collar

Axel Palmer

Murder By The Collar:

Economic Crime Mark Button, Branislav Hock, David Shepherd, 2022-04-24 This book is the first attempt to establish economic crime as a new sub discipline within criminology Fraud corruption bribery money laundering price fixing cartels and intellectual property crimes pursued typically for financial and professional gain have devastating consequences for the prosperity of economic life While most police forces in the UK and the USA have an economic crime department and many European bodies such as Europol use the term and develop strategies and structures to deal with it it is yet to gain traction as a widely used term in the academic community **Economic Crime From Conception to Response** aims to change that and covers definitions of the key premises of economic crime as the academic sub discipline within criminology an overview of the key research on each of the crimes associated with economic crime public private and global responses to economic crime across its different forms and sectors of the economy both within the UK and globally This book is an essential resource for students academics and practitioners engaged with aspects of economic crime as well as the related areas of financial crime white collar crime and crimes of the powerful

Crime Prevention Steven E. Barkan, Michael Rocque, 2020-01-31 In **Crime Prevention Programs Policies and Practices** criminologists Steven E Barkan and Michael Rocque present a well rounded exploration of evidence based policies programs and practices Grounded in criminological theory and emphasizing the social psychological and biological roots of crime this text presents current research perspectives and examples that capture the key crime prevention concepts students should understand including the public health model for crime prevention Highlighting the importance of applying theory to real world solutions the authors discussion of crime prevention strategies integrates theory and practice throughout the text

The Handbook of Crime and Punishment Michael Tonry, 2000-11-09 Crime is one of the most significant political issues in contemporary American society Crime control statistics and punishment policies are subjects of constant partisan debate while the media presents sensationalized stories of criminal activity and over crowded prisons In the highly politicized arena of crime and justice empirical data and reasoned analysis are often overlook or ignored **The Handbook of Crime and Punishment** however provides a comprehensive overview of criminal justice criminology and crime control policy thus enabling a fundamental understanding of crime and punishment essential to an informed public Expansive in its coverage the Handbook presents materials on crime and punishment trends as well as timely policy issues The latest research on the demography of crime race gender drug use is included and weighty current problems organized crime white collar crime family violence sex offenders youth gangs drug abuse policy are examined Processes and institutions that deal with accused and convicted criminals and techniques of punishment are also examined While some articles emphasize American research findings and developments others incorporate international research and offer a comparative perspective from other English speaking countries and Western Europe Editor Michael Tonry a leading scholar of criminology introduces the 28 articles in the volume each contributed by an

expert in the field Designed for a wide audience The Handbook is encyclopedic in its range and depth of content yet is written in an accessible style The most inclusive and authoritative work on the topic to be found in one volume this book will appeal to those interested in the study of crime and its causes effects trends and institutions those interested in the forms and philosophies of punishment and those interested in crime control *Internal Investigations of Economic Crime* Petter Gottschalk, 2015-08-18 Private internal investigations by fraud examiners is a growing business for professional services firms This book presents evaluations of a number of investigation reports in the United States and Norway The book discusses self regulation and regulatory policy Convenience theory is introduced as an integrated explanation of white collar crime

Gender and Crime Sandra L. Browning, Leah C. Butler, Cheryl Lero Jonson, 2024-05-23 This volume takes stock of contemporary perspectives on gender and crime In 1975 Freda Adler published her pathbreaking book *Sisters in Crime* The Rise of the New Female Criminal She made the bold claim that changes in American society including changing attitudes and opportunities would allow for greater participation of women in criminal enterprises Beyond her substantive thesis which turned out to be partially accurate Adler opened up a vibrant new area within criminology the study of gender and crime Now nearly a half century later the field of criminology is replete with women scholars who are making plentiful and important contributions As a result this volume explores cutting edge issues Part I starts by laying out a theoretical foundation focusing on the origins of theories of female criminality and then providing an overview of more contemporary perspectives Part II explores the role of race in shaping women s criminality drawing on the novel approaches of Black Criminology and the study of intersectionality Part III gives attention to issues that heretofore were male centric illuminating female desistance from crime the effects of peer groups and gender differences in attitudes toward criminal justice policies Finally Part IV considers the explanation of three important realms of criminality risky lifestyles white collar crime and terrorism This volume will be of interest to a wide range of criminologists and is an ideal choice for use in graduate seminars and upper level undergraduate courses

Task Force Report: Crime and Its Impact--an Assessment United States President of the United States, 1967

Countering Economic Crime Axel Palmer, 2017-09-22 Economic crime is a significant feature of the UK s economic landscape and yet despite the government s bold mission statements to hold those suspected of financial wrongdoing to account as part of their day of reckoning and serious about white collar crime agenda there is a sense that this is still not being done effectively This book examines the history of the creation of the UK s anti economic crime institutions and accompanying legislation providing a critique of their effectiveness The book analyses whether the recent regulatory regime is fit for purpose as well as being appropriate for the future In order to explore how the UK s economic crime strategies could be improved the book takes a comparative approach analysing policy and legislative responses to economic crime in the United States and Australia in order to determine whether the UK could or should import similar structures or laws to improve the enforcement of UK economic crime Crime, Justice and the Media

Ian Marsh, 2014 Corporate Crime Richard D. Hartley, 2008-03-05 Corporate Crime examines the ever present problem of white collar and corporate crime not only within the United States but also worldwide Should corporations and their employees be held criminally liable for shoddy business practices This volume explores both sides of the question discussing the nature and scope of corporate crime the controversies surrounding it and the most promising solutions How do we define corporate crime and how do we detect it Corporate Crime guides readers through the definitions and concepts as well as the difficulties in detecting prosecuting and punishing corporate wrongdoing How do corporations get away with their crimes This reference examines both the successes and the failures of government and law enforcement policies concerning the punishment of corporate crime and explores leading contemporary proposals for controlling and deterring it It is an essential information source for any citizen of corporate America **Cultural Property Crime** Joris Kila, Marc Balcells, 2014-10-16 In Cultural Property Crime various experts in the fields of criminology art law heritage studies law enforcement forensic psychology archaeology art history and journalism provide multidisciplinary perspectives on today's concept of cultural property crime including art crime In addition the volume deals with international legal and practical developments regarding the increasing criminalization of acts against cultural property in times of conflict Attention is paid to the changing status and fluctuating appraisal of cultural property as subject to classical art crimes generally in peacetime and as an identity related symbolic target during conflict The book covers a wide range of topics such as forgeries white collar crime archaeological looting and the impact of war on cultural heritage **Crime Fiction in the Caribbean** Lucy Evans, 2024-09-18 Crime Fiction in the Caribbean Reframing Crime and Justice is the first academic book to focus on crime fiction by anglophone Caribbean writers It explores how contemporary writers experiment with the crime genre in order to convey contextualize and comment on crime and justice in Caribbean countries Lucy Evans reads crime fiction as a versatile mode of writing that can be politically engaged and that in a Caribbean context can expose power structures embedded in the region's multi layered history of colonial conquest genocide of Indigenous populations plantation agriculture transatlantic slavery and indentured labour This book covers fiction set in Trinidad and Tobago Jamaica Guyana Barbados Grenada and Haiti discussing novels by Elizabeth Nunez Jacob Ross Marlon James Harischandra Khemraj Esther Figueroa Edwidge Danticat Cherie Jones and several others Evans considers how fiction by anglophone Caribbean writers not only reflects upon the social realities of crime and crime control in the Caribbean but also at times contests or complicates scholarly popular and legal perspectives She argues that through their engagement with the crime genre these writers raise pressing questions about what constitutes crime and justice in a Caribbean context and about accountability Looking beyond the traditional focus of crime fiction and criminology on individual acts of wrongdoing their fiction highlights systemic social harms rooted in the region's colonial past Reading crime fiction through the lens of criminological research Crime Fiction in the Caribbean brings the study of literary writing into scholarly debate on crime in the Caribbean At the same time it extends the global

turn in crime fiction studies focusing on a region that has been sidelined even in studies which examine the genre's international dimensions

Canadian Organized Crime, Second Edition Stephen Schneider, 2022-07-29 The second edition of Stephen Schneider's highly regarded *Canadian Organized Crime* provides an introduction to criminal syndicates organized crimes and enforcement principles and practices in Canada This widely informative and accessible new edition continues its comprehensive historical empirical and theoretical overview of organized crime in Canada with numerous case studies that make the material vivid and understandable for students Incorporating new research recent Canadian cases and current enforcement structures and laws in Canada this text will give readers a broad understanding of the social political and economic forces that contribute to the continued existence of organized crime in Canada The text examines new trends and developments that have affected organized crime since the first edition including the ongoing revolution in digital communications the internet dark web the proliferation of cryptocurrency the opioid epidemic organized criminality in the time of COVID the growing power of the Ndrangheta in Ontario the fallout from the implosion of Quebec's Rizzuto mafia family and the new business model employed by the Hells Angels throughout Canada This textbook will appeal to students in criminology sociology political science and law and justice programs criminal justice professionals working in the field of organized crime enforcement and readers interested in true crime literature

The Color of Crime Katheryn Russell-Brown, 1998 As if crime and race in the US were not volatile enough issues independently there is their explosive interface This is the territory staked out by Russell criminology and criminal justice U of Maryland who probes racial stereotypes some perpetuated by scientific racism the hoaxes they have spawned differing views of police actions by race and affirmative race law A public police contact survey and case summaries of recent racial hoaxes are appended Annotation copyrighted by Book News Inc Portland OR

Crime and Criminal Justice David W. Patterson, 1974

The Oxford Handbook of Gender, Sex, and Crime Rosemary Gartner, Bill McCarthy, 2014-05-14 Research on gender sex and crime today remains focused on topics that have been a mainstay of the field for several decades but it has also recently expanded to include studies from a variety of disciplines a growing number of countries and on a wider range of crimes The Oxford Handbook of Gender Sex and Crime reflects this growing diversity and provides authoritative overviews of current research and theory on how gender and sex shape crime and criminal justice responses to it The editors Rosemary Gartner and Bill McCarthy have assembled a diverse cast of criminologists historians legal scholars psychologists and sociologists from a number of countries to discuss key concepts and debates central to the field The Handbook includes examinations of the historical and contemporary patterns of women's and men's involvement in crime as well as biological psychological and social science perspectives on gender sex and criminal activity Several essays discuss the ways in which sex and gender influence legal and popular reactions to crime An important theme throughout The Handbook is the intersection of sex and gender with ethnicity class age peer groups and community as influences on crime and justice Individual chapters investigate

both conventional topics such as domestic abuse and sexual violence and topics that have only recently drawn the attention of scholars such as human trafficking honor killing gender violence during war state rape and genocide The Oxford Handbook of Gender Sex and Crime offers an unparalleled and comprehensive view of the connections among gender sex and crime in the United States and in many other countries Its insights illuminate both traditional areas of study in the field and pathways for developing cutting edge research questions *The Color of Crime, Third Edition* Kathryn

Russell-Brown, 2021-11-23 A powerful engaging book that critiques the history of race law and justice by examining where race lives and breathes across the U S criminal legal system **Partners In Economic Crime: Corporate Convenience**

By Cartel Membership Petter Gottschalk, 2025-08-19 By applying the theory of convenience Partners in Economic Crime gains and presents insights into the phenomenon of cartels This theory suggests that behind deviant behavior by corporate executives across many industries there lie motives opportunities and crucially willingness Within these pages are explained both cartel characteristics and convenience characteristics each informed by presentations and explanations of recent case studies In market economies companies in the same industry are expected to compete with one another However one may well ask the question would it not be more convenient for competing companies to cooperate with each other this would certainly seem to avoid threats and allow each company to gain from joint possibilities The central rationale behind this book is to explain the motives the opportunities and the willingness behind the deviant behavior committed by offenders as cartel members Put simply you cannot fight something that you don t understand just as you cannot fight someone that you don t understand This is why these insights into the cartel phenomenon are provided and supported by convenience analysis accounting for how corporate executives vary in their convenience orientation and specificity The reduction of opportunities for committing and concealing wrongdoing as well as diminishing the situations in which potential offenders have both the motive and the willingness for deviance must be a priority for antitrust enforcement targeting *Crime and Disrepute* John Hagan, 1994-02-14 Advances a new sociology of crime and disrepute that focuses on the criminal costs of social inequality Connects the diversion of capital away from distressed communities in the U S to increased violence and lack of social mobility for disadvantaged groups which result in the development of deviance service centers and ethnic vice industries Shows the important link between crime in the streets and crime in the suites and the differences between the two in eluding punishment **Private Policing of Economic Crime** Petter Gottschalk, 2021-02-15 This book discusses private policing

conducted by fraud examiners and financial crime specialists when there is suspicion of white collar crime The theory of convenience applies to the suspected crime while the maturity model applies to the conducted investigation Private policing of economic crime by fraud examiners in internal investigations is a topic of increasing concern as there is a growing business for law firms and auditing firms to conduct inquiries and reviews when there is suspicion of misconduct wrongdoing and crime by white collar offenders The key features of this book are the application of a structural model for convenience

theory and the application of a maturity model for fraud examinations The structural model assesses convenience themes for motive opportunity and willingness in each case study while the maturity model assesses the level of private policing maturity in fraud examinations For the first time two emerging frameworks to study white collar offenses and private policing maturity are introduced and applied to a number of cases from Denmark Iceland Moldova the Netherlands Norway Sweden and Switzerland This book will be essential to those studying law business and criminology as well as practicing fraud examiners

The Origins of Modern Financial Crime Sarah Wilson, 2014-06-05 The recent global financial crisis has been characterised as a turning point in the way we respond to financial crime Focusing on this change and crime in the commercial sphere this text considers the legal and economic dimensions of financial crime and its significance in societal consciousness in twenty first century Britain Considering how strongly criminal enforcement specifically features in identifying the post crisis years as a turning point it argues that nineteenth century encounters with financial crime were transformative for contemporary British societal perceptions of crime and its perpetrators and have lasting resonance for legal responses and societal reactions today The analysis in this text focuses primarily on how Victorian society perceived and responded to crime and its perpetrators with its reactions to financial crime specifically couched within this It is proposed that examining how financial misconduct became recognised as crime during Victorian times makes this an important contribution to nineteenth century history Beyond this the analysis underlines that a historical perspective is essential for comprehending current issues raised by the fight against financial crime represented and analysed in law and criminology as matters of enormous intellectual and practical significance even helping to illuminate the benefits and potential pitfalls which can be encountered in current moves for extending the reach of criminal liability for financial misconduct Sarah Wilson s text on this highly topical issue will be essential reading for criminologists legal scholars and historians alike It will also be of great interest to the general reader The Origins of Modern Financial Crime was short listed for the Wadsworth Prize 2015

Murder By The Collar Introduction

In today's digital age, the availability of Murder By The Collar books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Murder By The Collar books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Murder By The Collar books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Murder By The Collar versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Murder By The Collar books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Murder By The Collar books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Murder By The Collar books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Murder By The Collar books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Murder By The Collar books and manuals for download and embark on your journey of knowledge?

FAQs About Murder By The Collar Books

1. Where can I buy Murder By The Collar books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Murder By The Collar book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Murder By The Collar books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Murder By The Collar audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

selection of audiobooks.
