Musing Of A Nursing

Home Resident Mary Morgan, 2011-10 I moved into a nursing home after my sister Martha had died I was living alone I have FSH muscular dystrophy that isn't fatal The disability itself requires a live in a care giver whom I could not afford The other residents enjoy reading my poems so I decided to write more and make them into a book I believe there is a book in each of us We all have life stories to tell but residents of nursing homes seem to be forgotten numbers in our society We all need love company and laughter in our lives This is a place to live and be cared for While I am glad to have a home improvement is needed in its image If my poems can help improve this image then I will have succeeded

Edward L. Boye, 2014-09-08 Musings is a collection of short easy reading essays dealing with the challenges of life Do we take certain beliefs for granted Are our beliefs distorted by hand me down thinking How can we respond to others with love acceptance and compassion Poetry and humor are interspersed throughout this book's invitation to contemplate a deeper spiritual awareness If the Beatitudes in the Bible were rewritten today would we find this one Blessed are they whose plans have been foiled for they shall be given the opportunity to see the world anew Readers are suggested to pick one essay a day Reflect on the deeper messages and chuckle with the lighter moments while you consider choices that can lighten the load of living

Syzygy Oracle - Transformational Tarot and The Tree of Life Heather Mendel, 2013-11-29

Syzygy Jung used the term to describe the balancing of the opposites Astronomically syzygy pronounced si zi gee refers to a specific conjunction of the sun moon and earth On Mother Earth the planet we call home we are profoundly influenced by the radiance of the sun as well as the reflected light of the moon as we walk between light and darkness physically and metaphorically Solar energy evolves the ego and lunar energy evolves our essence We learn the balance the two as we travel the twenty two pathways of Kabbalah's Tree of Life Honoring The Sacred Feminine the spiritual practice offered here is an invitation to recognize and welcome intuitive wisdom more definitively into everyday awareness A fresh interpretation of the

traditional Major Arcana for women here the patriarchal layering of the cards is lifted to reveal a timeless and timely revelation of intuitive wisdom in a sequence of insightful profound and empowering teachings for any woman who wishes to read her own life story as more substantive than superficial Twenty two of these cards reinterpret the Tarot's Major Arcana Aligning the cards with the twenty two letters of the Hebrew alphabet we access three levels of soul consciousness in Hebrew known as nefesh ruach and neshamah through the specific letter number and story of each card Meet inspirational archetypes from world culture to light the way Through meditations and mantras discover your personal hero's journey that is a crucial part of evolving consciousness Ten additional cards representing the sefirot or energy centers offer the Tree of Life as an experiential introduction to Kabbalah Coincidence and kabbalah symbols and synchronicities metaphors and mantras enrich and deepen life's experience This mythic and metaphoric interpretation liberates these cards solely from the realm of prognostication and presents a meditative and inspirational tool for a daily personal practice Heather Mendel's elegant powerful images full of mystery and complexity will forever change the way you view the wisdom of the ancient Tarot
