MX ,2003 A photographic chronicle of motocross history featuring profiles of fourteen leaders in the sport including Damon Bradshaw Mike LaRocco and Ezra Lusk Motocross & Trials Jeremy Evans,1994 Early in the morning of February 21 2012 five young women entered the enormous Cathedral of Christ the Savior in Moscow took off their overcoats to expose neon dresses tights and balaclavas climbed up on the dais and began to perform a punk prayer beseeching the Mother of God to get rid of Putin Although the performance was quickly shut down by security thanks to YouTube the event began to make its way around the world And in the weeks and months that followed instead of fading from public awareness Pussy Riot went viral as three of the women were arrested and tried and two of them were sentenced to a remote prison colony From their cage like confines in the courtroom they spoke out with exceptional eloquence and bravery to condemn not only the circumstances of their own detention but the Putin regime and its massive corruption and abuses of power including its unholy alliance with the Russian Orthodox Church The world took notice The trial captured international headlines and celebrities Madonna Bjork the Red Hot Chili Peppers raced to vocalize their support It became increasingly clear that Pussy Riot s punk prayer had been no prank and no accident but a uniquely well conceived well planned and well executed act of political confrontation that surpassed what years of dissent and months of public protest had attempted in a society built entirely on lies it reinvented the power to tell the truth It was a great work of art This riveting account based on Masha Gessen s exclusive extensive access to the principals she was the journalist they wanted to tell their story tells how such a phenomenon came about Centered around Nadya the group s unofficial leader and including the stories of several other members of the group and additional important major secondary characters it portrays how a society at an Orwellian extreme of hypocrisy spawned a group of women determined from a very young age to confront it and to make their confrontation heard and felt And it also portrays the devastating loneliness and isolation that is the price of such success
