Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In Representing the Rainbow in Young Adult Literature LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of The Heart Has Its Reasons this volume charts the
