Boss's Obsession 1 (BWWM Interracial Romance Short Stories)** Viola Black, 2016-09-14 My name is Lisa Simone
Williamson and I used to be the luckiest girl in the world For starters I was rich Even better I was actually born into money
My parents were once the proud owners of Simone Cosmetics one of the largest and most successful African American owned
and operated cosmetic companies in the world My parents both came from very hard working families But their families
worked hard for other people which was a concept that neither my mother nor father ever understood My parents believed
that if they were going to work hard then they would work hard for themselves So when they met one another and realized
just how like minded they were the twosome joined forces both personally and professionally got married and created what
eventually became Simone Cosmetics After they had been married for a while and their company was up and running my
parents decided that they were ready to start a family Not long after I came along I must admit I had quite a charmed
childhood I lived in the most beautiful home that was located in the nicest part of town attended the best schools and had the
greatest friends My parents also got me involved in their business early on because they had every intention on passing it
down to me one day So I knew everything that there was to know about running Simone Cosmetics However my favorite
aspect of the company was its dynamic marketing department I always loved watching the dapper men and glamorous
women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that
my parents had created Once I graduated from high school and went off to attend one of the top universities in the country I
decided to major in marketing Those college years were wonderful I met a lot of incredible people was taught by some of the
best instructors and still remain close to the women I met when I pledged one of the top African American sororities in the
country Alpha Kappa Kappa During the summers I would go home and intern at my parents company in the marketing
department of course Those essential internships helped guide and motivate me and kept me focused Ultimately I always
knew I would return to my parent s company upon graduation join the marketing team and work my way up until I was
running the show But one of the most exciting experiences I had during college was meeting the man of my dreams David
James David was the star of the basketball team and I was his biggest fan My sorority sisters and I were considered
celebrities on our college campus and we always hosted the biggest parties and turned heads everywhere we went The
basketball players were regular party goers and David and I would always flirt whenever we d see one another So I wasn t
surprised when one of David s teammates who just so happened to be dating my best friend Janice passed a message along
saying that David was interested in me **WARNING Mature readers only Search Terms free romance books for young adults

she should've always been concerned however she wasn't. The reason why would remain unknown to her. Twenty minutes later he was complaining of chest pains and asked her to call an ambulance. She did but when they arrived she knew they were too late. He wasn't breathing. He wasn't moving. That of course nearly gave her a heart attack. Moreover she passed out and when she woke up she was at the hospital lying in a bed.
