He Could Not Contain Her: Kathleen McCartan, 2014-09-23 First and foremost this book gives you a glimpse into one creative some say genius bipolar mind which I have had for a little over twelve years Beyond that using a Sacred Feminine Holy Spirit Breath and Wind of God perspective as well as an educational creative perspective and a Course in Miracles perspective I attempt to create a total world reversal of thought on all issues related to the world humans why were here and whats to come of us This book reverses so called normal human thinking about almost everything including what is life and what is death what the real story of Lucifer and Mary Magdalene John the Baptist and Jesus really is and what the actual laws of the universe really are whats actually normal and abnormal the answer will surprise you what humans are actually like as a species what the current state of our world actually is and what humans mean to Christ John the Baptist Christ Alter Ego Christ in reality and in the great scheme of things It will be no surprise that I determine that to save the world and yes it can be done love is the only question and love is the only answer The only problem is that most people on Earth arent really listening despite the fact that we live in an almost dead world mentally emotionally and spiritually The spiritual light of the world is very dim if its even shining at all anymore Humans must wake up now today This book is about starting a creative spiritual educational revolution in America and letting it spread throughout the whole world This book takes a forward looking approach to the future and gives readers a glimpse into upcoming events [A Walking Miracle](#) Rania Khalil Eid, 2021-03-15 On June 17 2013 after suffering from chronic depression a bipolar disorder and a borderline personality disorder for years author Rania Eid decided to end her life again after many attempts She had no pulse and was taken to the hospital Though the doctors held little hope God had a plan for her After forty eight hours she opened her eyes and began the road to recovery But then she faced another challenge A divorce In [A Walking Miracle](#) Eid shares her story of how she overcame these critical setbacks and got back on her feet She tells how she knew deep down that God had a special purpose in mind for her life and future He awakened her faith and through that Eid ultimately found peace Eid tells how she believes God brings trials into our lives to give us more of Him The purpose of the trials is that we don't rely on ourselves in those moments but look to Him for salvation hope and joy We need to lean on God fix our eyes on His glory and cling to the truth found in Jesus because He is always enough for us [Walking in a New Light](#) Tessa Wright, 2013-02-20 Freedom is a choice And its our right Many of us live in free and democratic nations yet hold ourselves captive within the limited perception created by our beliefs Freedom is a divine gift from our creator but it is one that many are unable to embrace because of the limitations we've placed on the human experience [Walking in a New Light](#) details a spiritual journey toward a less restricted life Wisdom and insights revealed in the course of a genuine search provide the key to releasing mysteries previously hidden Th rough changes in perception come the much needed changes in reality This story which allows the reader to enter the unique and troubling circumstances of another through the mindful art of journaling provides lessons and opportunities to

promote growth and understanding Here is proof that a willing heart that seeks healing and change for self first has the potential to heal many and can therefore create the change we all wish to see We all experience life as a journey but when we become aware of our own potential power and purpose we have an opportunity to create the circumstances that make for a kinder and more beautiful existence Walking as one we become one This union unlocks the door that holds us captive and reveals the true meaning of freedom and peace *Christ on the Psych Ward* David Finnegan-Hosey,2018-03 Applicable not just to those with mental health issues but for churches and the church at large [Taking Steps Towards Mental Wellness](#) Scott Shoemaker,2018-07-04 Our future depends on our ability to cope rather than our ability to plan Scott Shoemaker *Taking Steps Toward Mental Wellness A Personal Journey Through Anxiety Depression and ADD* is the first book in the Sharing Mental Illness Series The author is able to reach out to others that suffer from anxiety depression and ADD by sharing his stories and what he did to start moving forward in his life He believes that people need real world examples and easy to understand ideas in order to make changes in their own lives The books are designed so that even a reader who suffers from ADD can make it through in a weekend Honest sharing and transparent vulnerability can be a challenge to any human being *Taking Steps Toward Mental Wellness* is an easy read that stirs the reader to reflection their own sense of wellbeing The insights offered lend hope and comfort Brenda Carle RN BSN PCCN Brave and raw reflection on dealing with the challenges of mental illness A good read for anyone Louisa Liguori RN BSN MBA **Jog On: How Running Saved My Life** Bella Mackie,2018-12-27 THE SUNDAY TIMES BESTSELLER Bella s brilliant love letter to running turns into an extraordinarily brave and frank account of her battle with anxiety A compassionate and important book Joe Lycett Perfect for resetting a glum January mindset Alexandra Heminsley My kind of role model Ben Fogle *Beloved, Repent and Believe* Tashina Atchley,2020-06-26 Friend you are beloved you are one who is loved God desires for us to repent to turn from our sin so that through Jesus Christ our lives can be reformed He wants us to believe to be convinced that Jesus Christ is Lord and accept Him as the truth I encourage you to seek Him until you find yourself lost in His love Learn to fight the good fight with the whole armor of God on Patiently endure through the fiercest of life s storms Don t give up Don t grow weary Learn to be still and watch God move A true story of redemption being born again and lives surrendered learning to live out faith with love grace and forgiveness through the toughest of times believing and knowing that in due time God would deliver *In Search of My Turquoise Necklace* Kelly Paul,2022-10-28 This is the second book by Kelly Paul the first book was titled *A Little Madness Beyond Imagination* That book recounted Kelly s experiences with mental illness and the spiritual world This current book goes further and summarizes her telepathic conversations with the archangel Michael Among the subjects explored are reincarnation space freedom of choice meditation and prayer Michael wants us to change our views and minds to lead a more peaceful and fulfilling life without fear guilt or anxiety Michael says that the angels bring light and unconditional love and that they guide us to understand God s messages and our life s purpose Finally Michael tells us that
