Gino Patrick Johnston, Peter Leech, 2025-10-07 From veteran hockey reporter Patrick Johnston and Gino's longtime friend Peter Leech comes the authorized biography of Gino Odjick. In the 1980s and 90s National Hockey League games were very different from the nimble skill focused displays we see today. One of the greatest differences and one of the sport's more popular facets at the time was the widespread presence of enforcers hulking battle scarred players whose main task was to police the sport by chasing down and brawling with opponents who had broken unwritten codes determining which aspects of violence counted as dishonorable or unjustified. When hard hitting Vancouver Canucks player Gino Odjick emerged in the early 1990s he quickly became one of the game's most feared enforcers and revered teammates a sign of a new era for the team racking up 296 penalty minutes in the 45 games he played in his rookie season. Hailing from Kitigan Zibi an Algonquin community near Maniwaki Quebec Gino was one of the few Indigenous players in the NHL at the time. But it was Gino's ferocious play contrasted by his genuinely affable and openhearted personality off the ice that won him a special place in the hearts of Canucks supporters. Yet legends often obscure the human stories behind them. Patrick Johnston and Peter Leech look beyond Gino's legendary persona drawing on insights from family members friends and teammates to recount Gino's early years in a loving household that was always ready to welcome foster children. Gino's father Joe had suffered the lonely traumas of the residential school system and the experience had instilled a commitment in the family to those who were less fortunate. The book also details Gino's eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope. He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two. Gino is a moving tribute to a beloved hockey legend. [Social Issues in Sport](#) Ronald B. Woods, B. Nalani Butler, 2025-11-28 [Social Issues in Sport](#) Fifth Edition With HKPropel Access introduces the study of sport as a social phenomenon offering a blend of historical and cultural perspectives. The text encourages students to think critically about how to better serve sport participants spectators and society at large. [Leveling the Ice](#) Steven Sandor, 2025-09-16 A deep dive into the institutional racism and prejudice in the sport of hockey that persists across all levels and how it will impact the future of the sport. While professional sports leagues claim to promote diversity and inclusivity institutional racism remains apparent in all sports but especially hockey. In [Leveling the Ice](#) sportswriter Steven Sandor challenges the perception that hockey is open to everyone and the idea that the hockey establishment wants more inclusion and diversity. Featuring interviews with NHL players of color like Darnell Nurse Matt Dumba Nazeem Kadri Zach Whitecloud Ethan Bear Jason Robertson Sandor reveals their stories of exclusion to highlight the deeply ingrained racism in the sport. The players share insights into the racism they faced while they built their careers as well as the racism they still face today from the hockey establishment. From hockey's racist

past to the ongoing reluctance of the hockey establishment to embrace grassroots diversity initiatives Sandor delves into how members of communities of color who only make up 5% of the NHL are being driven away from the sport to more inclusive ones like soccer and basketball despite the NHL's expansion to new markets and demographics with billion dollar TV deals Comprehensive and timely Leveling the Ice grapples with how the institutional racism in hockey will directly affect the future of the sport
