Secrets of an Untitled Mind Joshua Murphy Dobbs, 2020-05-29 In the middle of the quarantine for COVID 19 after reading one memoir after another Joshua Murphy Dobbs found the inspiration to write his own memoir Like many others with nothing but time on his hands while out of work his story unfolded in rapid succession in just eight days His psychiatrist asked him if he was manic after he shared the news that he had just written an entire book since his last Telehealth appointment with her The book travels through his childhood of finding out he was biracial to a diagnosis of bipolar 1 while in a psych ward in the Army His struggles to find the right mix of medications would land him in jail more than once The story follows his life giving the reader hope Even though the story follows his life as closely as it can being a bipolar writer weaves the reader in and out of his life on a roller coaster In the end his tattoos remind him of who he will become

Back Hander John Francome,2010-03-04 Two riders two unexplained deaths Ex National Hunt Champion Jockey John Francome presents Back Hander an electrifying racing thriller The perfect read for fans of Felix Francis and Lyndon Stacey Back Hander is a tightly plotted and well schooled story that delivers everything it promises Tangled Web Not much is going right for jockey Alan Morrell He can t get the rides he needs and when he sets up a bloodstock partnership a tragic accident robs him of the business and his best friend Lee Now Alan owes 100 000 and his only asset is a racehorse who has yet to be put to the test But all that fades into insignificance next to the suspicion that Lee s fatal fall was more than an accident Things aren t looking so hot for fellow jockey Max Ashwood either There s the backlash from his affair with a trainer s wife and the little matter of his gambling There s also the convenient death of another man to whom Max owed money But surely no one is ever going to find out the truth about his part in that Two riders two unexplained deaths but overshadowing both is a conflict that dwarfs the cosy world of racetrack winners and losers As the noose closes round the neck of one man s criminal empire just how many others will swing What readers are saying about Back Hander A gripping story from start to finish Highly recommended if you like horse racing thrillers Brilliant plotline which hinges on two doomed love affairs
