TikTok Cultures in the United States Trevor Boffone, 2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and sexuality, feminism, race and ethnicity, and wellness. Shaping TikTok as an interdisciplinary field in and of itself, this insightful and timely volume will be of great interest to students and scholars of new and digital media, social media, popular culture, communication studies, sociology of media, dance, gender studies, and performance studies. *TikTok vs Instagram* Leo Musk, AI, 2025-02-12 TikTok vs Instagram explores the dynamic competition between these social media giants, revealing how they shape online culture and business. The book analyzes algorithms, marketing strategies, and cultural impacts, offering insights into user engagement and digital marketing. One intriguing aspect is how each platform's algorithm prioritizes different content types, influencing user behavior in unique ways. The book also highlights the diverse marketing approaches businesses use on each platform to reach varied demographics, showcasing the nuances of influencer marketing. This book presents a comprehensive comparison, starting with platform functionalities and user demographics, then delving into algorithms and data analytics. Major sections cover algorithmic architecture, marketing, and monetization, and cultural impact. TikTok vs Instagram stands out by providing a balanced perspective and anticipating future developments like augmented reality. It helps readers understand the distinct opportunities each platform offers for businesses and creators in today's rapidly evolving digital landscape. **Feminism in the United States** Alison Dahl Crossley, 2024-08-16 Feminism in the United States: A Concise Introduction presents readers with the key debates and ideas central to contemporary US feminism. With a focus on intersectionality, the book highlights the goals, tactics, and varieties of feminism. This engaging, clear, and accessible text includes current examples, case studies, profiles of key figures in the movement, and opportunities/resources to gather more information. The reader will learn how to employ a feminist lens as an informed conversationalist, social media user, news consumer, and if so desired, activist. Readers will learn about the varieties of contemporary US feminism and how different strands of feminism emerge, the heterogeneity of the movement as it endures over generations in both hospitable and inhospitable climates, and the inequalities addressed and tactics used by feminists to create lasting social change. Feminism in the United States is ideal for undergraduate students, particularly those enrolled in introductory classes in feminist gender and sexuality studies and related programs, as well as for anyone seeking to explore feminism for the first time. *Geschichte auf Instagram und TikTok* Mia Berg, Andrea Lorenz, Kristin Oswald, 2025-10-01 Instagram und TikTok zählen zu den populärsten sozialen Medien auch für

Political Marketing in the 2024 U.S. Presidential Election Jamie Gillies, 2025-09-30

This book focuses on the spectacle of the 2024 U.S. presidential election from the return of Donald Trump and the decision by Joe Biden to drop out of the presidential race and endorse Kamala Harris as the Democratic presidential nominee to the campaign sprint culminating in Trump's win in November

A follow up to *Political Marketing in the 2020 U.S. Presidential Election* it uniquely focuses on political marketing and branding strategies with particular attention to how changes since the last election especially new technologies and media platforms have emerged as branding and marketing outlets for both campaigns

This election was again as much about a continuous strategy of targeting and maintaining voter enthusiasm as it was about swaying undecided voters as both campaigns tried to engage different parts of the electorate

Every American presidential election tends to herald in new political branding and marketing strategies

This book presents diverse scholarly research and perspectives with practitioner relevant content that will advance current understandings of political marketing and branding theories

TikTok D. Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16

Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world

Moreover it's the first Chinese developed platform to find mainstream international success carving its own niche in the global short video industry

In the first comprehensive exploration of TikTok Kaye Zeng and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth

They provide an extensive overview of TikTok's functions and uses the diverse markets in which the platform operates and the issues of governance that have impacted its expansion

Once thought to be just for kids the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries

TikTok the authors argue represents an evolutionary step in the way culture is produced and consumed on digital platforms

This timely book is essential reading for students and scholars in media and communication

studies and for anyone who has been captivated by the global growth of TikTok and short video
