Valuing Diversity Peter D. Hershock, 2012-12-06 Diversity matters Whether in the context of ecosystems education the workplace or politics diversity is now recognized as a fact and as something to be positively affirmed But what is the value of diversity What explains its increasing significance Valuing Diversity is a groundbreaking response to these questions and to the contemporary global dynamics that make them so salient Peter D Hershock examines the changes of the last century to show how the successes of Western style modernity and industrially powered markets have ironically coupled progressive integration and interdependence with the proliferation of political economic social cultural and

environmental differences Global predicaments like climate change and persistent wealth inequalities compel recognition that we are in the midst of an era defining shift from the primacy of the technical to that of the ethical Yet neither modern liberalism nor its postmodern critiques have offered the resources needed to address such challenges Making use of Buddhist and ecological insights Valuing Diversity develops a qualitatively rich conception of diversity as an emerging value and global relational commons forwarding an ethics of interdependence and responsive virtuosity that opens prospects for a paradigm shift in our pursuits of equity freedom and democratic justice The Cinema Book Bloomsbury Publishing,2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema Authoritative and comprehensive the third edition has been extensively revised updated and expanded in response to developments in cinema and cinema studies Lavishly illustrated in colour this edition features a wealth of exciting new sections and in depth case studies Sections address Hollywood and other World cinema histories key genres in both fiction and non fiction film issues such as stars technology and authorship and major theoretical approaches to understanding film **The Movie Business Book** Jason E Squire,2016-08-05 Tapping experts in an industry experiencing major disruptions The Movie Business Book is the authoritative comprehensive sourcebook covering online micro budget movies to theatrical tentpoles This book pulls back the veil of secrecy on producing marketing and distributing films including business models dealmaking release windows revenue streams studio accounting DIY online self distribution and more First hand insider accounts serve as primary references involving negotiations management decisions workflow intuition and instinct The Movie Business Book is an essential guide for those launching or advancing careers in the global media marketplace *Media Marathoning* Lisa Glebatis Perks,2014-12-11 Media Marathoning Immersions in Morality is a scholarly study of the intense relationship between reader and story world analyzing the way audiences become absorbed in a fictive text and dedicate many hours to exploring its narrative contours Rather than view these media experiences as mindless indulgences media marathoning connotes a conjoined triumph of commitment and stamina Compared to more traditional slower paced media engagement patterns media marathoning affords readers greater depth of story world engagement maximizing the emotional and cognitive rewards of the media experience Through immersive marathoning experiences audiences can seriously engage with mediated questions about human nature and society refining our orientation toward morality through internal dialogue about the story and communication with other readers as we process the meaningful journey As digital technologies facilitate easier user centered access to media texts narratives increase in complexity and more readers seek immersive story world experiences marathoning looks to be the new normal of media engagement Drawing from qualitative studies of book film and television marathoners along with textual analysis of commonly marathoned stories Media Marathoning presents a holistic look at marathoning s cultural impact *Billboard* ,2000-03-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most

Uniqueness Erika Balsom, 2017-03-21 Images have never been as freely circulated as they are today They have also never been so tightly controlled As with the birth of photography digital reproduction has created new possibilities for the duplication and consumption of images offering greater dissemination and access But digital reproduction has also stoked new anxieties concerning authenticity and ownership From this contemporary vantage point *After Uniqueness* traces the ambivalence of reproducibility through the intersecting histories of experimental cinema and the moving image in art examining how artists filmmakers and theorists have found in the copy a utopian promise or a dangerous inauthenticity or both at once From the sale of film in limited editions on the art market to the downloading of bootlegs from the singularity of live cinema to video art broadcast on television Erika Balsom investigates how the reproducibility of the moving image has

been embraced rejected and negotiated by major figures including Stan Brakhage Leo Castelli and Gregory Markopoulos Through a comparative analysis of selected distribution models and key case studies she demonstrates how the question of image circulation is central to the history of film and video art After Uniqueness shows that distribution channels are more than neutral pathways they determine how we encounter interpret and write the history of the moving image as an art form

Billboard ,2006-01-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Business of Media Distribution** Jeff Ulin,2012-12-06 Written by the insider who headed sales for Lucasfilm across distribution markets and managed the release of Star Wars Episode III this is the first book to show how all related media distribution markets including television video and online work together and independently to finance and maximize profits on productions It demystifies how an idea moves from concept to profits and how distribution quietly dominates an industry otherwise grounded in high profile elements production marketing creative finance law The book provides a unique apprenticeship to the business illuminating at a macro level how an idea can move from concept to generating 1 Billion relating theory and practice in the context of the maturation of global market segments and exposing the devil in the detail that impacts bottom line profits Producers media executives and entertainment attorneys in specific niches will benefit from this wide ranging look at the business across various distribution outlets including theatrical television airlines merchandising cable and home video
