Economics and Management Sathya Prakash Elavarthi, Sunitha Chitrapu, 2021-09-27 This book offers a comprehensive understanding of key concepts and terms in media economics and management and explains their applications using relevant data. Beginning with a conceptual study of media markets, industry structures, firm behaviour, public policy, production, pricing, and consumption choices in media industries, the book uses the framework to present an in-depth examination of the management of four major media industry sectors in India: newspaper publishing, television broadcasting, film, and digital media industries. It also deals with two topics relevant across media business sectors: creative industries approaches and copyright issues. The book discusses the economic forces and factors that shape the workings of media industries and institutions in India to highlight trends in a business that is rapidly evolving, highly profitable, and marked by regional linguistic, economic, and cultural diversity. This volume is a step towards formalising the emerging field of media economics and management within the discipline of mass communication and journalism as an area of research and education in India. An accessible guide to the basic principles and concepts of media economics and management with illustrations from Indian and global media industries, this will be an essential resource for students, researchers, and teachers of media and communication studies, media economics and management, political economy, and sociology, as well as for professionals in media industries.

The Journal of Economic Perspectives, 2003 **Creative Arts Marketing** Elizabeth Hill, Terry O'Sullivan, Catherine O'Sullivan, 2012-06-25 As a comprehensive overview of all aspects of marketing in the sector, Creative Arts Marketing remains unrivalled, and in addition, this edition gives new coverage of current knowledge and best practice about marketing and advertising through new media. The impact of Relationship Marketing techniques. A wholly revised and enhanced set of cases. Entirely revised and updated data on the arts industry. Creative Arts Marketing reflects the diversity of the arts world in its wide-ranging analysis of how different marketing techniques have worked for a diverse range of arts organizations. As such, it is an invaluable text for both students and arts managers.

Film Marketing into the Twenty-First Century Nolwenn Mingant, Cecilia Tirtaine, Joël Augros, 2015-10-28 How do you sell British humour to a French audience? Could piracy actually be good for the film business? Why are The Hobbit's revolutionary technologies not mentioned in some adverts? Exploring these questions and many more, Film Marketing into the Twenty-First Century draws on insights from renowned film academics and leading industry professionals to chart the evolution of modern film marketing. The first part of the book focuses on geographical considerations, showing how marketers have to adapt their strategies locally as films travel across borders. The second covers new marketing possibilities offered by the Internet as Vine, Facebook, and other participative websites open new venues for big distributors and independents alike. Straddling practical and theoretical concerns and including case studies that take us from Nollywood to Peru, this book provides an accessible introduction to the key issues at stake for film marketing in a global era.
