Google Drive Prices Tutorial:

Trading With Chart Pattern And Price Action Breakout Mahesh Chandra Kaushik,2025-03-04 Everything depends on your ability to identify a stock based on its price movement before it makes a 5 10 15 20% move whether it is about to rise or fall This is called Price Action Movement Just like how before sunrise the darkness of the night begins to fade and a reddish hue spreads across the sky signalling the arrival of the sun price action gives early indications of a stock's movement However in today's world constant exposure to short video reels and statuses has reduced people's ability to focus Many now struggle to read even for 30 seconds without skipping ahead hoping to find a quick shortcut to mastering trading Consider it a sacred opportunity that this book has reached your hands Do not treat it as just another book instead read it with complete faith and respect absorbing each page carefully Even if you read just one or two pages daily ensure that you fully understand and internalise the concepts before moving forward This is not just a book it is a practical and authentic guide that reveals the secrets of success in the stock market
