Spies on the Sidelines Kevin Bryant, 2022-07-13 The first book to fully explore the extraordinary covert actions NFL teams are willing to take in order to win Spies disguised as priests Secret surveillance of targets movements Radio frequency jamming Tapped telephones These might sound like acts of espionage right out of the Cold War or a spy movie but in fact came straight from the National Football League In *Spies on the Sidelines The High Stakes World of NFL Espionage* Kevin Bryant provides the first in depth investigation of spying in professional football as well as the countermeasures utilized to defend against these threats Spanning across all teams and eras Bryant shines a light on the shady world of NFL reconnaissance from clandestine photography and hidden draft prospects to listening devices and stolen documents along with the permissible if sometimes questionable spy techniques teams utilize day in and day out to gain an advantage over their opponents Written by a former Special Agent with decades of experience collecting and safeguarding information for the Department of Defense *Spies on the Sidelines* reveals that behind the game day action professional football can be as cloak and dagger as American intelligence agencies This fascinating and expansive compilation of NFL spy anecdotes exposes the extraordinary measures teams are willing to take in order to win

Cheat Sheet to Heaven Rachel Roman Tipton, 2020-01-22 Had enough of life Feeling discontent all the time Feeling sad depressed angry and all alone in this big world What if I told you there was a way to have peace instantaneously forever What if I took away all your pain stress anxiety self doubt loneliness and sickness What if I gave you a cheat sheet to enter into heaven What if I told you this book is not a self help psychological or religious book but is a book about thought What if I gave you a secret formula for a different way to think about everything so you are able to find inner bliss What if I told you there is another way of looking at things so you can be content and happy going forward with life What if I showed you a way to make the circumstances you have to deal with and the negative people you are faced with daily to turn around into a positive light Join me on this journey as I teach you what I have learned and give you the tools to have eternal peace I will explain to you why you feel the way you do why you have conflict with others and why bad things always seem to happen I start with showing you examples of my crazy life and ego how I was able to let go of everything and find the truth of who I really was The next part identifies your current state of mind and gives a detailed description on how to change it I also offer vivid tools in a special matrix I created for you to find your true place I have a section on how to deal with children and how to send them forth with a positive mindset My recollections on religion death evolution and the bible are discussed in a way that will change your whole entire viewpoint The way you are currently doing things is not working so you might as well take the chance to see if this book can change you forever Learn more at cheatsheettoheaven.com

Snowflake Arthur Jeon, 2021-04-14 EDITOR S CHOICE Booklife NOTABLE BOOK Blue Ink Review A high school scholarship student must kill the president as an act of environmental protection Brilliant 18 year old Ben Wallace didn t set out to become a presidential assassin but after a mind altering

experience Ben discovers some facts about earth's rapid global warming and none of it is good news. Now Ben is on a dangerous trajectory believing he must kill the President of the United States to save the planet. A Species Goes Extinct Every 20 Minutes 26 000 A Year NY Times Worldwide 7 Million People A Year Die from Air Pollution Science Daily Humankind Has Wiped Out 60% of All Animals Since 1970 The Guardian Faced with such dire news Ben becomes outraged by the president's climate change lies attacks on climate science and destruction of the natural world. He decides there is only one solution a desperate but necessary act of environmental activism and social justice to protect his generation Ben must kill POTUS. At his exclusive private school Ben becomes a loner self isolated from the other students who appear on Instagram anyway not to have a care in the world. Not a single student seems to notice the planet is burning. It's all too much denial and lies he's got to act. Skipping his meds and therapist to prepare for his mission the actions of this teenage vegan stress tests the line between madness and morality. During the six weeks leading up to his assassination of the President of the United States Ben realizes he'll never get close enough to kill the president with a gun. Instead he hatches a realistic hi tech strategy meticulously prepping for the daunting challenge he faces to assassinate a president. Throughout this controversial climate change novel Ben grapples with the philosophical practical and moral reasons that make his radical actions necessary. Mr Hale Ben's STEM teacher and a former Navy Seal sees that his best student is struggling and attempts to take Ben under his wing. But Hale makes a fateful mistake by ignoring the signs of Ben's unraveling. With a narrative structure that springs from Ben's brief journal entries a ritual that helps him process his overactive mind into a singular confessional voice the events tighten into a gripping suspense thriller racing to a shocking conclusion. For those who feel like it's young protagonist angry and helpless as we blow past irreversible tipping points the novel is an urgent battle cry if not to take up arms then to become a climate change activist fighting against humankind's extinction. **WARNING** *Snowflake a Cli Fi novel and political thriller* is a work of contemporary historical fiction it swims the current of America's craziest cultural waters and terrifying global warming facts. But the climate science Ben cites is real the politics are true and the president's attacks on the environment are accurate.
