most exciting season in its history The Eastern Conference Cleveland Browns were the champions in 1965 yet most of the action was in the Western Conference where the reigning Baltimore Colts contended with the formidable Green Bay Packers and Chicago Bears All three teams played two games apiece against the Detroit Lions a power earlier in the decade and the Minnesota Vikings and Los Angeles Rams who were becoming dominant in the league In those days the NFL played a wide open game long touchdown passes fumbles and interceptions kept fans on the edges of their seats through seven games each weekend The league s deep bench included such players as Jim Brown Johnny Unitas Tom Matte Bart Starr Paul Hornung and Dave Robinson rookies Gale Sayers and Dick Butkus and key coaches Don Shula Vince Lombardi and George Halas A fantastic final weekend led to a one game playoff for the right to face the Browns for the championship Drawing on interviews with surviving players and executives this book recounts the thrilling drama of the 65 season and places it in the broader context of NFL history

Pigskin Robert W. Peterson, 1997-10-30 If the National Football League is now a mammoth billion dollar enterprise it was certainly born into more humble circumstances Indeed it began in 1920 in an automobile showroom in Canton Ohio when a car dealer called together some owners of teams mostly in the Midwest to form a league Unlike the lavish boardrooms in which NFL owners meet today on this occasion the owners sat on the running boards of cars in the showroom and drank beer from buckets A membership fee of 100 was set but no one came up with any money As one of those present George Halas the legendary owner of the Chicago Bears said I doubt that there was a hundred bucks in the room From such modest beginnings pro football became far and away the most popular spectator sport in America In Pigskin Robert W Peterson presents a lively and informative overview of the early years of pro football from the late 1880s to the beginning of the television era Peterson describes the colorful beginnings of the pro game and its outstanding teams the Green Bay Packers the New York Giants the Chicago Bears the Baltimore Colts and the great games they played Profiles of the most famous players of the era including Pudge Heffelfinger the first certifiable professional Jim Thorpe Red Grange Bronko Nagurski and Fritz Pollard the NFL s first black star bring the history of the game to life Peterson also takes us back to the roots of the pro game showing how professionalism began when some stars for Yale Harvard and Princeton took money under the table of course for their services to alma mater By 1895 the money makers still unacknowledged had moved to amateur athletic associations in western Pennsylvania and subsequently into Ohio After the NFL formed in 1920 pro football s popularity grew gradually but steadily It burst into national prominence with the Bears Redskins championship game of 1940 As one sportswriter put it The weather was perfect So were the Bears The final score was 73 0 Peterson shows how after World War II the newly created All America Football Conference challenged the NFL Though dominated by a gritty Cleveland team the AAFC was never viewed by NFL teams as much of a threat That is not until 1950 when the two leagues merged bringing about the Cleveland Browns Philadelphia Eagles game in which the Browns buried the Eagles 35 10 An elegy to a time when for many players the game was at least as important as the money it

brought them which wasn't much Pigskin takes readers up to the 1958 championship game when the Baltimore Colts beat the New York Giants in overtime By that time the great popularity of the game had moved from newspapers and radio to television and pro football had finally arrived as a major sport The NFL's 60-Minute Men Chris Willis,2024-03-15 In 2019 the NFL celebrated its 100th season During that historic year the league selected an All Time Team of 100 former star players Among them were seven from before football's free substitution rule 1920 1945 two way players who were skilled at both offense and defense They were Sammy Baugh Quarterback Dutch Clark Running Back Dan Fortmann Guard Mel Hein Center Cal Hubbard Tackle Don Hutson Wide Receiver and Bill Hewitt Defensive End There were more than just seven great players from those years when men in leather helmets played multiple positions on dirt fields for modest salaries This book ranks the NFL's top two way players with detailed biographies and analysis by their contemporaries The Most Memorable Games in Giants History Jim Baker,Bernard M. Corbett,2010-08-17 Championship moments of the New York Giants 85 year history are commemorated and highlighted through interviews with Giants legends including Frank Gifford and Eli Manning and descriptions of memorable plays and other details of historical significance **Princeton Alumni Weekly** ,1976 **Pro Football Schedules** Ivan Urena,2013-12-25 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years It includes a history on the evolution of the pro football schedule explores all of the scheduling formulas used in the National Football League American Football League and the All America Football Conference and presents home and away opponent charts from 1933 through the 2017 season **Reader's Digest Almanac** ,1970 ITV Handbook Edward M. Schwalb,2004 The proposed book will present key iTV issues technology solutions and standards assembled from those technologies Readers of the book will gain an understanding of the various iTV concepts and the relationships between them In addition to the general discussions each chapter will contain specific details so as to serve as a starting point for readers who want to become experts in a specific field *The Sporting News* ,1986-10 The Bulletin of the American Society of Newspaper Editors American Society of Newspaper Editors,1992 *The American Annual* ,1983 **Broadcasting & Cable** ,2001-12 **Harvard Alumni Bulletin** ,1965 *The NFL Media Information Book* ,1983 ,1983-08
