Five Overtimes John G. Robertson, Carl T. Madden, 2024-05-30 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport's scholarly fans. However, one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens. It provided something never seen before in the history of the NHL and has not been seen since: every one of the five games required a dramatic sudden death overtime period to determine a winner. This book takes an in-depth look at this exciting conclusion to the 1950-51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes. As an added bonus, a special chapter discusses the short life, baffling disappearance, and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup winning tally in April. Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal.

The Complete Encyclopedia of Hockey Zander Hollander, 1993 The NHL from its first season 1917-18 to its most recent 1991-92 and one of its most dramatic highlights the whole colorful controversial story. Now completely updated for the 100th anniversary celebration of the Stanley Cup, this directory is a must-have for the sports enthusiast. 200 photos.
