Playmaker Jami Davenport, 2020-08-27 KADEN My teammates think she's married I think it's more than that Other than her name I don't know anything about her but I can't get enough of her She's my obsession my world my everything If only she would let me in tell me why she's terrified why she stays in the shadows why she can't be seen in public Then as quickly as she came into my life she disappears DELANEY As the daughter of a powerful politician I was my boyfriend's perfect alibi until I wasn't My life is in danger and I have no choice but to disappear I met Kaden in a bar and the attraction was instant We can't keep our hands off each other but I'm careful not to tell him too much He can't know who I am or why I'm running My safety and his depends on it Then my ex's conviction is overturned he's out of prison and witnesses are dying I have to run again and leave behind the one man I'll never forget But fate has a way of interfering and this time leaving isn't so easy
