The Night Sky Companion Tammy Plotner, 2007-09-05

The book you are holding in your hands is one of the best learning and outreach tools you could want for your collection The Night Sky Companion is full of information about astronomy Think of how many times you have walked outside

looked at the stars and wondered what new things you could explore Maybe you

are a beginner and you want to learn the basics of stargazing or perhaps you are a seasoned sky veteran Either way I bet you will see

and learn something new each night I have used Tammy Plotner's previous books to help plan my outreach programs Not

only do they tell you what you can see in the night sky just as this book does but they also explain some of the history and

science which has brought us to this point You will quickly realize astronomy is what you make it It can be extremely

challenging or very relaxing it's up to you to decide With this book you can use telescope or binoculars of any size or just kick

back under the Milky Way and enjoy the view It will be your companion to help you discover our galaxy Picture yourself

enjoying a warm August night watching the Perseid meteor shower or seeing the Harvest Moon rise While the spring holds

the promise of bright planets and distant galaxies there is something to be said about those long cold winter evenings too

You can spend hours observing and still get to bed before midnight With each changing season with every constellation wheeling

overhead Tammy will show you the best of the night sky The wealth of information here about the Moon will amaze you

Wait until you point a telescope its way and find a specific crater Suddenly the lunar terrain takes on a new look It has a stark beauty which will keep you coming back ix Ohio Aurora in May Credit Terry Mann Foreword xi Both beginning and advanced

utterly charming Danielle Banas's irreverent YA sci fi adventure The Good for Nothings is perfect for fans of Guardians of the Galaxy The Lunar Chronicles and Firefly Cora Saros is just trying her best to join the family business of theft and

intergalactic smuggling Unfortunately she's a total disaster After landing herself in prison following an attempted heist gone very wrong she strikes a bargain with the prison warden He'll expunge her record if she brings back a long lost treasure

rumored to grant immortality Cora is skeptical but with no other way out of prison and back in her family's good graces she has no choice but to assemble a crew from her collection of misfit cellmates a disgraced warrior from an alien planet a cocky

pirate who claims to have the largest ship in the galaxy and a glitch prone robot with a penchant for baking and take off after the fabled prize But the ragtag group soon discovers that not only is the too good to be true treasure very real but they re also not the only crew on the hunt for it And it s definitely a prize worth killing for Praise for The Good for Nothings A fun galaxy spanning treasure hunt with plenty of action and heart Publishers Weekly **The Good Listener** Andrew Black,2024-02-09 About the Book The Good Listener is a bold new fiction book about a plan among the animal leaders of the world who meet at a barn in Los Angeles and develop a plan to end to the world wide destruction and suffering caused by human beings the animals have realized that the devastation is almost irreversible and that the animals have one last chance to stop the humans before a mass extinction of the animal kingdom begins The animals agree to infect a young couple with a special seed obtained from the tar pits secretly creating a hybrid child The Good Listener a human baby with certain plant and animal characteristics which help the child communicate with every living thing on the earth While The Good Listener has no eyes ears mouth nor nostrils it can breathe see and hear through its green skin and is neither male nor female Insects birds and animals all come to see the wonderous child while grasses trees and plants bloom as the child walks past The animals hope that The Good Listener will convince the people of the world that they must change their ways before the humans are left in a world with no plants or animals but the government seizes the child for evaluation after it is seen in public With The Good Listener s help the animals of the sea create a tsunami attacking Los Angeles and while the predators of the land attack humans in the city the rest of the animals flee to the high mountains beginning a new life away from humans At the same time the plants release a new type of pollen which is nutritious to birds and insects but is flammable and is also noxious and toxic to humans To save themselves the humans must develop a plan respecting accommodating and incorporating all of the plants insects fish and animals of the world or the humans will become extinct instead of the plants or the animals The book is an adventure story comprised of numerous animals several humans and the hybrid child The book contains a pre quill embedded within the storyline as well as an open end allowing a sequel In addition several of the animal characters have such unique personalities allowing the development of one or more independent prequel storylines Alan the king of the ants and Frank the lord of the flies are central figures in the book and likely deserve their own background stories Finally the main character the hybrid child is unique and fascinating creating a never before seen opportunity to develop a multi book line of sequels *Search Engine Optimization All-in-One For Dummies* Bruce Clay,2015-09-21 The most comprehensive coverage of search engine optimization In Search Engine Optimization All in One For Dummies 3rd Edition Bruce Clay whose search engine consultancy predates Google shares everything you need to know about SEO In minibooks that cover the entire topic you ll discover how search engines work how to apply effective keyword strategies ways to use SEO to position yourself competitively the latest on international SEO practices and more If SEO makes your head spin this no nonsense guide makes it easier You ll get the lowdown on how to use search engine optimization to improve the quality
