become entangled in a world populated by some of Hiaasen's most outrageous characters Claude and Electra Mink billionaire philanthropists with way too much plastic surgery and a secret right wing agenda and Congressman Clure Boyette who dreams of being Florida's and maybe America's most important politician The only things standing in his way are his love for hookers and young girls and his total lack of intelligence We meet Noel Kristianson a Scandinavian agnostic injured when Figgo thinks he's a Jewish threat to humanity and runs him over with his car Jonas Onus Figgo's partner in white power idiocy and many many more Hiaasen ties them all together and delivers them to their appropriate fates in his wildest and most entertaining novel to date **Electronic Commerce 2018** Efraim Turban,Jon Outland,David King,Jae Kyu

Navigating Fake News, Alternative Facts, and Misinformation in a Post-Truth World Dalkir, Kimiz,Katz, Rebecca,2020-02-28 In the current day and age objective facts have less influence on opinions and decisions than personal emotions and beliefs Many individuals rely on their social networks to gather information thanks to social media's ability to share information rapidly and over a much greater geographic range However this creates an overall false balance as people tend to seek out information that is compatible with their existing views and values They deliberately seek out facts and data that specifically support their conclusions and classify any information that contradicts their beliefs as false news Navigating Fake News Alternative Facts and Misinformation in a Post Truth World is a collection of innovative research on human and automated methods to deter the spread of misinformation online such as legal or policy changes information literacy workshops and algorithms that can
