Cybersecurity, Infrastructure Protection, and Security Technologies, 2014 *Strategic Retail Management and Brand Management* Doris Berger-Grabner, 2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption. The rapid emergence of new technologies, digital business models, and the evolution of social media platforms as a new sales channel continue to influence the sector. Key contextual or external trends will affect and shape the retail landscape in the years to come. Therefore, it seems important to prepare for this situation and be ready with a head start in terms of knowledge. This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments. It deals with key trends in particular new patterns of personal consumption, evolving geopolitical dynamics, technological advancements, and structural industry shifts. Moreover, it explains why it is so important that retailers use these trends, adapt their retail strategies and tactics, create strong brands, and come up with innovative new ways of doing business. Today we are living in a challenging time for retail. This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications.

The Secret to Cybersecurity Scott Augenbaum, 2019-01-29 Cybercrimes are a threat and as dangerous as an armed intruder, yet millions of Americans are complacent or simply uninformed of how to protect themselves. *The Secret to Cybersecurity* closes that knowledge gap by using real life examples to educate readers. It's 2 a.m. do you know who your child is online with? According to author Scott Augenbaum, between 80 to 90 percent of students say they do whatever they want on their smartphones, and their parents don't have a clue. Is that you? What about your online banking passwords—are they safe? Has your email account or bank debit card ever been compromised? In 2018, there were data breaches at several major companies. If those companies have your credit or debit information that affects you, there are bad people in the world.
