The Disney+ Kingdom David Whitt, John Perlich, 2024-05-08 Debuting in 2019, Disney quickly became one of the most popular streaming services worldwide. With hubs for Disney, Pixar, Marvel, Star Wars, and National Geographic, Disney not only provides vault content from these brands but also original films and television programming such as *High School Musical: The Musical: The Series*, *The Mandalorian*, *The Mighty Ducks: Game Changers*, *Andor*, and *The Imagineering Story*. This collection of essays examines a variety of Disney exclusive content, exploring themes such as nostalgia, identity, representation, and lived experience. Designed to appeal to both academics and the average Disney fan, it attempts to answer the question of whether its original streaming content is a plus or minus for the Mouse House.

You vs You Todd Cahill, 2019-02-19 The greatest battles we face are with ourselves. In *You vs You*, author Todd Cahill starts with a simple premise: As people strive for any improvement in their lives, whether it's more income, a better relationship, a promotion, a bigger business, or a better body, the most important battles they will face are against themselves. People invite problems into their lives through poor choices, apathy, indecision, arrogance, anxiety, selfishness, and other traits they would rather not discuss but must be addressed. In this valuable book, Cahill shares what he has learned about these battles that either keep people from success and significance or usher them to victory. As a life coach and leadership trainer, he has taught thousands of people these lessons, and many of them are now experiencing a level of personal achievement, relational abundance, and financial freedom they never thought possible. People often self-sabotage if they're not mindful, wise, and willing. Cahill reinforces the idea that readers can choose today to fight against who they once were or are and become who they are made to be. *You vs You* is about that choice and the challenging, rewarding quest that ensues.

Strategy in 3D Greg Fisher, John E. Wisneski, Rene M. Bakker, 2020 Strategy decision making and action used to be off limits to all but the select few at the very top of an organization It was a largely cerebral activity focused on grand long terms plans made at annual off site retreats away from the daily challenges of the business That is no longer the case The current business environment does not wait for companies to slowly adjust in an annual meeting The relentless pace of change renders today s long term future tomorrow s history Rapid innovations and ever increasing complexities limit executives ability to make decisions with perfect information Does this mean strategy is no longer useful or even feasible No Good strategists are needed now more than ever But today s high performing organizations think of strategy differently than in the past These companies make strategy part of every manager s role they strategize continuously and tackle strategic problems through individuals from all parts of the organization Strategy in this new fast paced world is about diagnosing the diverse array of complex challenges confronting organizations deciding on novel solutions to address those challenges and delivering by taking action on those solutions Including a novel organizational framework and never before published application examples Strategy in 3D helps build these foundational skills and prepares the reader for success as a strategist in the 21st century

The Perfect Match Melody Summers, 2019-10-24 Everyone knows that your best friend s ex is totally off limits I didn t want to date Dylan my best friend s ex boyfriend I just felt bad for him because the last two girls he d gone out with had dumped him to go back to their exes He was a sweet guy who deserved better and in a moment of insanity I decided to make it happen for him I was going to discover everything there was to know about him and then find the girl who was his perfect match It all sounded so easy until I started hanging out with him But things got complicated really fast and the more time I spent with him the less interested I was in matching him up with someone else Dylan is afraid that I m going to be like the other girls though and dump him to go chasing after Seth first chance I get And I m scared that he s going to be like every other boy I ve gone out with and drop me without a backwards glance Plus there s that whole issue of him being my best friend s ex which would be majorly awkward There s just no way that the two of us could possibly work out so the safest thing to do is to stick with my

plan and get him out of my life as soon as possible Even though deep down I know that he s my perfect match high school romance ya romance teen romance romance series clean and wholesome romance beach romance young adult romance contemporary

A Hero in All of Us? Stephen Clouse,Aaron Kushner,2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are Only Murders in the Building Game of Thrones The Good Lord Bird The Boys and Severance What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one A Hero in All of Us Heroism and American Political Thought as Seen on TV explores this multifaceted landscape to better understand how Americans view their heroes and themselves *Parents* ,1988

 pithy explanations of key concepts multiple choice questions a flashcard glossary and more Distribution Evolution Elliott
 W. Nikdel,2025-09-18 Distribution Evolution On Demand and the Relocation of Specialized Film looks beyond the rhetoric
 and beneath the gleaming surfaces of on demand to reveal a more complex picture than the narrative of disruption Welcome
 to the age of on demand This is a world replete with choice a world where consumers dictate the terms of their viewing
 experience choosing what to watch when and how a world devoid of monopoly where the niche and undiscovered stand
 shoulder to shoulder with the rich and the powerful These stories of disruption have come to shape the popular perception of
 on demand but does this vision paint an accurate portrait of today s streaming landscape Distribution Evolution assesses
 whether digital distribution is the democratising force we were promised Does on demand disrupt and displace the
 monopolistic practices and patterns that have long curtailed the wider reach of specialised film Or does this vision of
 disruption resemble little more than a fantasy crafted by gifted storytellers and cunning marketers To answer these
 questions Distribution Evolution looks to the past to form a picture of the present Whether it be the emergence of new
 practices or the persistence of old ones the book reveals how a complex interplay between past and present is shaping the
 digital future The resulting work provides a new framework through which to understand the on demand era as a process of
 relocation not transformation evolution not revolution **The Diary of a Mad, Insane (Did I Mention Broke and
 Unemployed), Suburban Soccer Dad** Evan Taylor,2010-09-28 A year in the true life adventures of a Cleveland area
 traveling soccer family criss crossing the country making new friends navigating the highs lows triumphs and pitfalls of youth
 soccer in town and learning the value of family along the way With four kids in tow the Taylor family navigate the super
 competitive world of youth soccer new additions to the family life changing events while experiencing the true meaning of
 family sacrifice and dedication to sport **The Palgrave Handbook of Violence in Film and Media** Steve

Choe,2022-11-09 The chapters contained in this handbook address key issues concerning the aesthetics ethics and politics of violence in film and media In addition to providing analyses of representations of violence they also critically discuss the phenomenology of the spectator images of atrocity in international cinema affect and documentary violent video games digital infrastructures cruelty in art cinema and media and state violence among many other relevant topics The Palgrave Handbook of Violence in Film and Media updates existing studies dealing with media and violence while vastly expanding the scope of the field Representations of violence in film and media are ubiquitous but remain relatively understudied Too often they are relegated to questions of morality taste or aesthetics while judgments about violence can themselves be subjected to moral judgment Some may question whether objectionable images are worthy of serious scholarly attention at all While investigating key examples the chapters in this handbook consider both popular and academic discourses to understand how representations of violence are interpreted and discussed They propose new approaches and raise novel questions for how we might critically think about this urgent issue within contemporary culture **Money and Inflation** Mehdi

Chowdhury,2024-03-23 The book goes beyond the usual understanding of money physically electronically or virtually expressed in term of monetary units like dollars pounds gold coins or bitcoins and discusses how money is best conceptualised as the ability of a person party to obtain goods and services from another person party This ability may originate from the access of a person party to money in usual sense e g dollars pounds but also via force social norms mutual negotiation altruism trust or due to human biological characteristics As the ability to obtain goods and services from others depends on the context what functions as money in a time and place may not function as money in another time and place as such money has no universal type or representation The book explains inflation as the increased need to acquire money that is the need to employ more physical and mental labour to create the ability to obtain a wide range of goods and services This book provides an explanation of the post covid price hike and the cost of living crisis by taking this new theory into consideration which will be of interest to academics researchers policy makers and students studying finance monetary economics and inflation Digital Transformation and Innovation in Emerging Markets Albakri, Mohammed,2024-10-29
