Losing Brave Educator's Guide Bailee Madison, Stefne Miller, 2020-05-26 *Losing Brave Educator's Guide* is a companion to *Losing Brave* by Bailee Madison with Stefanie Miller. This guide can be utilized in the classroom in a home school setting or by parents seeking additional resources. Ideal for grades 7-12. *Open Secrets* Tupelo Press, 2021-07-07. This handbook will prepare you to take the lead in executing your own publicity plan. It is designed to guide you step by step through the process of making a success of your book. It's jam packed with the essential tools, ideas, and resources you'll need to achieve that goal from an independent publisher who has provided a launching pad for authors like Ilya Kaminsky, Aimee Nezhukumatathil, Jennifer Michael Hecht, Maggie Smith, Matthew Zapruder, and 250 others. You'll learn the essentials for book marketing as an indie author in a digital age. Develop your author image and brand across social channels. Create an engaging social media presence. Grow your audience and meaningfully connect with them. Build an attractive, searchable website; no coding skills needed. Launch a publicity campaign that gets you reviews. Ensure your book is on bookstore and library shelves. Practice mindful literary citizenship. Learn from Tupelo authors who were in your shoes not too long ago. All authors desire to get their books into the hands of as many readers as possible. Though it is a publisher's role to aid and assist authors in marketing and publicity for every book, the role of any publisher necessarily takes a back seat to your all important efforts. Nobody else can do this essential work as effectively as you can. Thoroughly and joyfully embrace the notion of self-promotion, knowing that it's the book you're breathing life into. You wouldn't have written and published your book if you didn't believe in it and in yourself as a writer with important artistic talent to share. Your publisher believes in you. Your family and friends believe in you. Your current readers believe in you. And future readers will believe in you.

Step-by-Step Publishing Guides Judy Penz Sheluk, 2024-01-19. Whether you're an aspiring author, a traditionally published author considering a change, or merely curious, *Step by Step Publishing Guides* is a must-have reference book covering everything from business basics and publishing platforms to post-publication sales and marketing strategies. This two-volume box set includes the Award-winning *Finding YOUR Path to Publication* and *Self-publishing: The Ins and Outs of Going Indie*. Inside, you'll find an honest, unbiased look at the pros and cons of five publishing paths: traditional, independent, hybrid, self-publishing, and social publishing, as well as an in-depth look at self-publishing, all while guiding you through the process, one easy-to-understand step at a time. *Young Adult Literature in Action* Rose Brock, 2019-06-14. Taking a genre approach, this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books, including recommended titles. This third edition of *Young Adult Literature in Action* draws on the success of the previous two editions, authored by Rosemary Chance, updating and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ selections, the role of book formats, and the relevance of librarians serving teen populations, and is an ideal resource for teaching young adult literature courses.

Organized by major genre divisions this easy to use book includes new information on timely topics such as audio and e books accessible books and graphic novels Each chapter includes revised and updated information on collaborative activities featured books special topics and programs selected awards and celebrations historical connections recommended resources issues for discussion author comments and assignment suggestions Further updates include citations of exemplary young adult books and award winners references websites and a bibliography
