workplaces and young people's interests. Thus a key premise in this collection is that teaching and learning are about deep engagement representing meanings in a range of ways. These include acknowledging relationships and knowledge, thinking critically about events, phenomena and processes and participating in valued social and cultural activities. The book shows how this kind of learning doesn't simply occur in a one-off session but takes time, commitment and multiple opportunities to interact with others to explore, play, make mistakes and get it right.
