Navy Football: Return to Glory T.C. Cameron, 2017 This book charts the story of Navy football and steers readers through the reemergence of an iconic program representing our nation's finest. Navy football holds a unique place in college athletics as one of the oldest and most prestigious programs the game has ever known. During the 1950s and 1960s the Midshipmen were nationally recognized by the major bowl games they played and Heisman Trophy winning players Joe Bellino and Roger Staubach. Although the program struggled mightily to maintain relevance in subsequent years, Athletic Director Chet Gladchuk kick started the renaissance of Navy football by hiring Coach Paul Johnson in 2001. The team's current coach Ken Niumatalolo, once fired by the academy in the dining room of a McDonald's in 1998, returned to become the winningest coach in school history. Cameron charts the story of Navy football and steers readers through the reemergence of an iconic program representing our nation's finest.

The Man Who Built the National Football League Chris Willis, 2010-08-19 Founded in 1920, the National Football League chose famed athlete Jim Thorpe as its first president, a position he held briefly until a successor was elected. From 1921 to 1939 Joe F. Carr guided the sport of professional football with intelligence, hard work, and a passion that built the foundation of what the NFL has become: the number one sports organization in the world. During his eighteen-year tenure as NFL President, Carr created the organization's first Constitution, implemented the standard player's contract, wrote the NFL's first ever Record and Fact Book, helped split the NFL into two divisions, and established the NFL's World Championship Game. Carr started keeping league statistics and developed the NFL Draft. But Carr's greatest achievement was creating a vision for the NFL as a big city sport. By skillfully recruiting financially capable owners to operate NFL franchises in big market cities, he created the solid foundation for the league's successful future. While the sport has grown to unheard-of heights, Carr's name and accomplishments have been lost and forgotten. *The Man Who Built the National Football League* Joe F. Carr captures the life and career of this pivotal figure in professional sports, chronicling the many achievements of a man whose vision helped shape what the NFL is today. With

Baltimore Colts George Bozeka, 2018-07-06 The 1958 Baltimore Colts were one of the greatest teams ever in professional football. Owned by the controversial Carroll Rosenbloom and led by head coach Weeb Ewbank and six future Hall of Fame players Johnny Unitas, Raymond Berry, Lenny Moore, Jim Parker, Art Donovan, and Gino Marchetti, they won the NFL title that season, defeating the New York Giants in the first sudden death championship game in NFL history. The Colts laid the foundation for the ultra-popular spectacle football would become with the American public. They were a talented group of players. Many had been rejected or underappreciated at various points in their careers, though they were loved and respected by the blue-collar fans of Baltimore. This book tells the complete story of the 58 Colts and the city's love affair with the team.

Veblen's America Sidney Plotkin, 2018-12-28 Donald Trump's astonishing rise to the US presidency challenges conventional understandings of American politics; yet he is distinctively American. His biography and family lineage reflect American traditions such as real estate hucksterism and buccaneering salesmanship. But Trump's pugnacity also reflects the shadow of other darker American traditions of misogyny, racism, and xenophobia—patterns that formed what Thorstein Veblen called a sclerosis of the American soul. Using Veblen's theory of American development to explore the nation's curious fusion of barbarism and liberal democracy, *Veblen's America* taps the rich vein of the sociologist's early twentieth-century insights to shed light on the Trump phenomenon that has overwhelmed and threatened early twenty-first-century American democracy.
