Re-engineering Customer Service Dr. Bob L Ssekyanzi PhD.,2024-11-07 With the competitive global marketplace environment and many other business challenges it is vital and very necessary to leverage the social channels for a superior customer experience In developing the 21st Century workforce it is important to understand that your clients are already using more avenues than ever to reach out to you

through the Internet and social media It may be prudent to consider whether if you can deliver expected customer service experiences that your customers want on these same social media channels as well as many of these emerging communication technologies Or will your customers be disappointed when they cannot find anyone there to help The conclusion is to acquire the right customer service skills to master these new channels Social media is about engaging It s about talking to your customers rather than talking at them It s about listening to their responses and providing feedback It s about building relationships and community

The Customer Service Revolution Bryan Horn,2020-02-21 The way we do business has changed Customers are no longer driven by products and services alone They are experience driven customers who seek meaningful and genuine interactions with the companies they do business with Many companies have adapted a too big to fail mindset and have implemented policies that favor themselves instead of the customers who keep them in business Employees are treated as money making machines instead of valued teammates This has to change The Customer Service Revolution is packed full of innovating and inspiring stories and is changing the way companies think about their customers and the employees who make it all happen
