Service Marketing Dr. Anisa Khanam, Dr. Nusrat Ali Khan, Mr. Vipin Kumar, Dr. Jitendra Singh, 2024-12-29 **EBK:**
Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency. Customer Value-centered Management Andreas Krämer, Thomas Burgartz, Christina Muzzu, 2025-08-17 This book explores Customer Value centered Management as a modern corporate approach emphasizing its dual nature: data driven yet comprehensive. Facing heightened time pressure and uncertainty, management grapples with decision making challenges amidst VUCA conditions. While complexity rises, tools like big data and AI offer decision making solutions. Customer centricity epitomized by Amazon's success emerges as pivotal, with customer value serving as the linchpin in relationship marketing. Authors advocate an integrated value to value segmentation approach, reconciling customer and company perspectives. They caution against simplistic interpretations of value based pricing, stressing the need for holistic consideration of customer benefit, pricing and costs. **Creating Smart Enterprises** Vivek Kale, 2017-10-25 Vivek Kale's *Creating Smart Enterprises* goes smack dab at the heart of harnessing technology for competing in today's chaotic digital era.
