Are you tired of failing to recover? Are those quick fix approaches failing to deliver results? That may well be because you're much more like a garden than you are an electrical appliance. Healing anxiety is an organic process not just nuts and bolts. Anxiety Specialist Therapist John Crawford learned this the hard way when he experienced a terrifying descent into severe anxiety and depression during his twenties and spent many fruitless years seeking the elusive quick fix solution before finally meeting a gifted therapist who guided him skilfully to understand what really makes a full recovery possible. Now almost 25 years later with that understanding fully cemented John has spent the last 13 years of his life working as a professional therapist specialising in the treatment of anxiety disorders. *Anxiety Relief* is a warm compassionate and expert book to help anxious panicky or stressed people written from both sides of the therapeutic couch. If you're suffering and you don't know how to gain relief from your anxiety then this book is for you. It's wide in scope but laser focussed on ensuring that you get results. The tools and understanding presented here are the same proven tools that John has been using to help anxious people successfully recover for many years. Inside *Anxiety Relief* you'll discover How to create the correct mindset for full and permanent recovery from even severe anxiety. How to fully understand the brain's evolutionary role in creating stress anxiety depression panic and negative thinking and how to use that understanding to take back control. Why self love the right resources and appropriate skills are essential components for recovery when anxiety

attacks Why just throwing random techniques at an anxiety problem won't resolve the core of the problem and what to do instead How compassionate connection with your most vulnerable self will turbo charge your recovery time and offer long term stability and how to do it Why your subconscious mind keeps you locked in anxiety and how to work with that mind to stop the internal war How to avoid soul destroying resource sucking wrong turns And much more Anxiety Relief is written with sparkling clarity to provide an expert step by step anxiety recovery system which any anxiety sufferer can understand and put into immediate use This book goes well beyond the usual Do this and you'll feel better formula however It will provide you with an explanation of the many angles you can employ to make things better and provide you with the great missing ingredient that causes many anxiety sufferers to fail in recovery heart If that sounds mysterious to you then there's almost certainly something here that you've overlooked before This book offers you the tools and understanding that will reach deep enough to finally make the real difference Buy Anxiety Relief today to let this powerful practical sincere book from a true anxiety insider show you how to reach to the HEART of your anxiety and find your easy smile again

Brown thinks he's ready when he arrives for his first posting with Medecins Sans Frontieres in Africa. But the town he's sent to is an isolated outpost of mud huts surrounded by landmines, the hospital for which he's to be the only doctor is filled with malnourished children and conditions he's never seen and the health workers Angolan war veterans twice his age who speak no English walk out on him following an altercation on his first shift. In the months that follow Damien confronts these challenges all the while dealing with the social absurdities of living with only three other volunteers for company. The medical calamities pile up: leopard attacks, landmine explosions, performing surgery using tools cleaned on the fire, but as Damien's friendships with the local people evolve his passion for the work grows. Written with great warmth and empathy, *Band Aid for a Broken Leg* is a compassionate, deeply honest and often humorous account of life on the medical frontline in Angola, Mozambique and South Sudan. It is also a moving testimony to the work done by medical humanitarian groups and the remarkable, often eccentric people who work for them.
