The Rational Animal Douglas T Kenrick,Vladas Griskevicius,2013-09-10 Why do three out of four professional football players go bankrupt How can illiterate jungle dwellers pass a test that tricks Harvard philosophers And why do billionaires work so hard only to give their hard earned money away When it comes to making decisions the classic view is that humans are eminently rational But growing evidence suggests instead that our choices are often irrational biased and occasionally even moronic Which view is right or is there another possibility In this animated tour of the inner workings of the mind psychologist Douglas T Kenrick and business professor Vladas Griskevicius challenge the prevailing views of decision making and present a new alternative grounded in evolutionary science By connecting our modern behaviors to their ancestral roots they reveal that underneath our seemingly foolish tendencies is an exceptionally wise system of decision making From investing money to choosing a job from buying a car to choosing a romantic partner our choices are driven by deep seated evolutionary goals Because each of us has multiple evolutionary goals though new research reveals something radical there s more than one you making decisions Although it feels as if there is just one single self inside your head your mind actually contains several different subelves each one steering you in a different direction when it takes its turn at the controls The Rational Animal will transform the way you think about decision making And along the way you ll discover the intimate connections between ovulating strippers Wall Street financiers testosterone crazed skateboarders Steve Jobs Elvis Presley and you

The Girl Who Loved Adventures Rose Bell,2025-04-25 Step back to the 1950s with The Girl Who Loved Adventures New Home New Friends This second heartfelt and nostalgic collection of short stories is inspired by the childhood of a spirited seven year old girl named Rose When Rose and her family move to a new subdivision in southeastern Ontario a whole new world of adventure unfolds and like all children Rose loves adventures From waiting eagerly for the friendly bread truck to being chased by a bull in a farmer s field to skating on the frozen creek Rose s escapades are filled with curiosity mischief and the timeless lessons that come with growing up Each story captures the simplicity and wonder of childhood in an era long past

when neighbourhoods were smaller playtime was outside no matter the weather and every day brought the possibility of something new to discover Written with warmth and humour these true to life tales are designed to delight young readers and their families while sparking meaningful conversations At the end of each chapter thoughtful questions and reflections encourage readers to share their own experiences and explore the valuable lessons Rose learned along her journey Whether you re a parent looking to inspire family discussions a child with an adventurous spirit or simply someone reminiscing about a bygone era this book is a timeless celebration of life s little joys big lessons and the adventures that define us *The U. S. Monthly Magazine* ,1882

Teach from the Heart Jenell Paris,2016-06-24 How can a teacher remain whole and happy able to teach well for an entire semester an entire year and an entire career Teach from the Heart is about finding rediscovering or holding on to the heart of the teaching life which is quite literally the teacher s heart It is an encouragement to take up teaching as more than a service to provide a profession to master or a job to perform It is an invitation to artisanry teaching as a craft that we master by working with our hands over long periods of time producing results that bear the mark of their maker Whether you re just beginning or in it for the long haul sit down with Teach from the Heart and deepen your heart for the teaching life We need not bring to class the wisdom and knowledge we gained elsewhere we can take up teaching as a spiritual practice with the classroom as a sacred space for our own formation as persons With nearly forty years experience as both student and teacher Jenell Paris s perspective is hard won but still lighthearted and enthusiastic Teachers from any context will benefit stories and examples include preschool K 12 community education and college teaching

Somebody Forgot to Tell the Kids Jeanne S. Silvers,2013-12-31 In a nation rampant with political confusion economic upheaval societal splintering a breakdown in simple civility and the reality of fractured families its difficult to even imagine what todays young people may face in fifty to sixty years The future of our children our grandchildren and our great grandchildren rests squarely upon our shoulders In *Somebody Forgot to Tell the Kids* author Jeanne S Silvers examines the state of the world from the churchs perspective Through this discussion she addresses a conundrum Is the church in America largely ineffective today because of the depraved state of our society or is our society in that corrupt state because the church is largely ineffective Silvers uses personal anecdotes and stories from Scripture to present her ideas about leaving a legacy of Christian values for modern youth *Somebody Forgot to Tell the Kids* examines how our world has become what it has and provides solutions for turning it around and beginning to minister the grace and

compassion of Jesus to a broken nation Silvers shows how it took only one man on Mount Carmel to set a nation on a new path one faith filled man who was willing to step out from the crowd and obey the Lord Will there be one of these for America

U.S. Exports United States. Bureau of the Census, 1945 **American Dream 2.0** Frank Anthony Thomas, 2012 The promise of America has always been creative potential enterprise industry optimism idealism and hope This promise known since the beginning of the New World and named since the Great Depression as the American Dream is what makes immigrants cry at the base of the Statue of Liberty But there is a dark side to the American Dream too one that we don't talk about much in polite company A side characterized by the exploitation and domination of subjugated people The national climate has caused many to question the validity of the American Dream and whether it even offers a viable vision for the nation There are few greater questions to ask Our collective future depends on a common vision If the American Dream is dead then what happens next This book evaluates the American Dream establishes its roots gives reasons for its decline and offers solutions to reclaim the promise of the American Dream that is more aligned with Jesus vision of the kingdom of God and Martin Luther King Jr's vision of the Beloved Community Our challenge is to develop a redesigned American Dream a sustainable future for all free from exploitation and domination of subjugated people *Holy Runaways* Matthias Roberts, 2023-10-03 *Holy Runaways* speaks to people who are feeling ignored oppressed or rejected by their religious community and church offering a path forward built on speaking truth deep listening and acting with compassion In the past decade church attendance among US adults has decreased by more than 25 percent Americans report leaving religious communities because of the institutions hypocrisy and resistance to change or because of trauma they have experienced in those spaces Instead of safe havens for people of faith many churches have become sites of harm places people feel the need to escape at all costs In *Holy Runaways* psychotherapist Matthias Roberts reaches out to those who like him want to understand the religion they've run from and erect a new faith on firmer foundations He concludes that the best blueprint for a new spiritual home requires reimagining ourselves God and our very definition of faith Roberts blends deeply personal stories new interpretations of familiar Christian parables and recent scholarship about the dynamics of trauma to offer a way forward and a warm helpful companion for readers on their own journeys He calls out people who perpetuate systems of violence and oppression and suggests ways we can all contribute to a new system built on love and a new home we can inhabit together
