The Deadline Effect Christopher Cox, 2021-07-08 I love deadlines I like the whooshing sound they make as they fly by So said author Douglas Adams but what if there was a way of making deadlines work for you and using them to ensure others provide you with what you want when you want it In Christopher Cox's brilliant new book he looks at the impact deadlines have on us and how we can use them to deliver the best results for all parties Social scientists have revealed that most negotiations run right up to the deadline before a deal is finally struck What they also discovered was that this deadline effect usually results in a worse deal for both parties Cox shows you how instead the deadline effect can be used to bring about success not failure The truth is that most of us think of deadlines all wrong They aren't immutable laws of nature they are a game we can play and win This book will show you the strategies different workplaces have come up with to do just that They are the businesses and individuals who are rehabilitating the deadline effect taking the urgency it provides and jettisoning all the down to the wire nonsense Based on his own experience as a magazine commissioning editor where coaxing writers to deliver on time is an art form he also embeds himself in other businesses such as a ski patrol ahead of the first day of the winter season to see how they meet deadlines that cannot be missed Above all this book is an argument to embrace the power of deadlines When time is limited people are less wasteful more focused productive and creative It's a liberating realisation excellence and timeliness are not at odds and the deadline effect can be highly effective

Suffrage Speeches from the Dock Emmeline Pankhurst, 1912 In these speeches Emmeline Pankhurst and other leading militant suffragists defend themselves against the charges of damaging city property in their attempt to publicize the issue of women's suffrage They illustrate the complexity of the issue and the ambivalence of the court which found them guilty of damaging city property yet acknowledged the virtues of the cause for which they were fighting

Glass Tidings Amy Jo Cousins, 2016-12-05 Eddie doesn't stay in one place long enough to get attached The only time he broke that rule things went south fast Now he's on the road again with barely enough cash in his pocket to hop a bus to Texas after his sort of stolen car breaks down He's fine He'll manage Until he watches that girl get hit by a car and left to die

Life Beyond Spending Ernesto Caravantes, 2013-09-20 Ernesto Caravantes was among the multitudes of people who were affected by the Recession of 2008 the financial impact of which continues to be felt to this day Rather than focus on how people can return to their former consumerist lifestyle he decided to explore how people can trade one paradigm of conspicuous consumption for another of frugality and simplicity The author uses a reader friendly approach to exploring these issues and combines both personal narrative and practical advice to make his point With over one hundred easy to do fun ideas and entertaining activities that are free or very low in cost the reader is shown the possibility of a life beyond spending Caravantes explains that now is the time to embrace a simpler manner of living one free of the constant need to spend and acquire He also says that the human spirit can be nurtured by such a change He emphasizes that it is our connection to others to ourselves and to

the larger forces in the universe which ultimately matter the most

The Gamification of Digital Journalism David O. Dowling, 2020-11-23 This book examines the brief yet accelerated evolution of newsgames a genre that has emerged from puzzles quizzes and interactives augmenting digital journalism into full fledged immersive video games from open world designs to virtual reality experiences Critics have raised questions about the credibility and ethics of transforming serious news stories of political consequence into entertainment media and the risks of trivializing grave and catastrophic events into mere games Dowling explores both the negatives of newsgames and how the use of entertainment media forms and their narrative methods mainly associated with fiction can add new and potentially more powerful meaning to news than traditional formats allow The book also explores how industrial and cultural shifts in the digital publishing industry have enabled newsgames to evolve in a manner that strengthens certain core principles of journalism particularly advocacy on behalf of marginalized and oppressed groups Cutting edge and thoughtful The Gamification of Digital Journalism is a must read for scholars researchers and practitioners interested in multimedia journalism and immersive storytelling

Fed Up! Colin Lancaster, 2021-05-04 Fed Up tells the story of a global macro trader working amidst the greatest market panic we have seen since the Great Depression As the COVID 19 pandemic spreads across the world readers are taken through the late stage decadence of an exuberant market bubble to the depths of the market crash and into the early innings of a recovery It provides readers with a front row seat on trading activity allowing them to experience the heartbeat of the markets It s also about money and opportunity It s about the moral dilemma of a man who is struggling as he reaches his own peak Readers will experience the frenetic pace of life as a trader and will connect with the protagonist experiencing his struggle to balance his personal values with the compromised values of the world around him It shines a light on the largest policy issues confronting the U S while offering an entertaining and humorous look at the guys and gals who are the new market operators This riveting account of the 2020 market crash from inside the mind of a global macro trader will serve as an exciting nail biting record of current times It is about making fortunes while the world slips into misfortune Will he beat the markets or will the markets beat him

No More Bananas Jeroen Kraaijenbrink, 2019-06-21 Feel better get done more and become a nicer person In this age of social media fake news individualism and information overload the certainties we relied on in the past are gone In our quest for assurance and support the only seemingly dependable pillar left is other people So we look to them But they are unsettled too And by looking to them we create and perpetuate our own vicious stress cycle As a result we lose our sensible selves And we go bananas But there is good news If we look around us there are people who withstand the collective lunacy and stay grounded They do something that most of us have a hard time doing they stay themselves And the best news is that what they can do you can do too It doesn t require any special talents or supernatural powers It only requires doing In this amiable open and accessible book Jeroen Kraaijenbrink takes you on his personal journey out of Bananaland Drawing

from cognitive psychology martial arts Saint Benedict personal experience and a wide range of other sources the book offers a nine step approach with some remarkably practical advice for keeping a cool head in the collective lunacy Free yourself from the collective lunacy and reclaim your calm and sensible self **iPhone X For Dummies** Edward C. Black Friday Update Open Now Introduction

In the digital age, access to information has become easier than ever before. The ability to download Black Friday Update Open Now has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Black Friday Update Open Now has opened up a world of possibilities. Downloading Black Friday Update Open Now provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Black Friday Update Open Now has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Black Friday Update Open Now. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Black Friday Update Open Now. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Black Friday Update Open Now, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Black Friday Update Open Now has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
