This Is Our City Tony Massarotti, 2022-10-18 A celebration of the last two decades of sports success in Boston from the co host of the 1 sports radio show in New England Boston is a unique sports city Unlike New York Los Angeles or Chicago New Englanders loyalties are not divided among competing franchises in the four major American sports the city has one team each the Red Sox the Celtics the Bruins and the Patriots And as any Boston fan will tell you that loyalty runs deep Sports just seem to mean more in New England Over the last 20 years those fans have been blessed with an extraordinary run of success including 12 championships six runners up and many more years of heated contention In the 21st century Boston became Titletown According to Tony Massarotti longtime Boston sports columnist and host of the 1 sports radio show in New England for the past ten years this is not a coincidence Massarotti s This Is Our City paints a portrait of the last 20 years in Boston sports showing how one team s success has led to the next how they have fed off each other tried to one up one another and have supported each other This is an account of an era where successes and failures stitched together the region all playing out against major events such as 9 11 and the devastating Boston Marathon which led to a memorably profane speech by David Ortiz who declared This is our f king city Massarotti s This Is Our City is a valentine to Boston sports and will be loved by those fans wherever they now live

The iPINIONS Journal Anthony Livingston Hall,2020-02-13 ANTHONY L HALL takes aim at the global events of 2019 with a unique and refreshing perspective Some of the topics in this volume include Republicans and Democrats aping Sunnis and Shias Even if Democrats impeach Trump in Congress or defeat him at the polls his presidency has already sown seeds of division and dysfunction that could harvest political thorns for a thousand years Social networks abolishing Likes They can t quit likes Because networks are as hooked on the money likes generate as users are on the high they stimulate Colin Kaepernick moving NFL tryout and making new demands Kaepernick must think he s Trump and the NFL the Republican Party Because only delusions of grandeur on that scale explains him thinking he can play the NFL like this White evangelical Christians supporting Trump The hypocrisy inherent in them showing abject loyalty to this two legged golden calf is almost too contemptible for words Suffice it to know that a skunk has more regard for a garden party than Trump has for a house of worship Hong Kongers protesting Chinese rule These protests amount to nothing more than a self hating Stockholm Syndrome like preference for the British over the Chinese Hong Kongers don t want democracy so much as a return to British colonial rule MTV trying to whitewash Michael Jackson s name from VMAs Frankly his pedophile exploits were such that MTV paying any homage to him is tantamount to Jello paying homage to Bill Cosby Rich parents offering bribes to get their kids into elite colleges The real indictment is that despite all the resources at their disposal these parents raised such dumb lazy and untalented kids Failure of latest US North Korea nuclear summit While Trump flew off to take a cold shower back in America Kim was smoking a cigarette and planning sightseeing tours around Vietnam So who do you think is zooming who in their brokeback bromance
