**Instagram Marketing Algorithms** Michael Gates, 2020-10-06 The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand s message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn t already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits You will be given information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand s Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don t go together Use your brand or company name in hashtags the hashtags that you pick don t have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately [The New Rules of Marketing and PR](#) David Meerman Scott, 2017-07-10 The international bestseller now in a new edition When it comes to marketing anything goes in the Digital Age right Well not quite While marketing and public relations tactics do seem to change overnight every smart businessperson knows that it takes a lot more than the next big thing The New Rules of Marketing PR is an international bestseller with more than 375 000 copies sold in twenty nine languages In the latest edition of this pioneering guide to the

future of marketing you ll get a step by step action plan for leveraging the power of the latest approaches to generating attention for your idea or your business You ll learn how get the right information to the right people at the right time at a fraction of the cost of traditional advertising The Internet continues to change the way people communicate and interact with each other and if you re struggling to keep up with what s trending in social media online videos apps blogs or more your product or service is bound to get lost in the ether In The New Rules of Marketing PR you ll get access to the tried and true rules that will keep you ahead of the curve when using the latest and greatest digital spaces to their fullest PR marketing and customer communications potential Keeping in mind that your audience is savvy and crunched for time this essential guide shows you how to cut through the online clutter to ensure that your message gets seen and heard Serves as the ideal resource for entrepreneurs business owners marketers PR professionals and non profit managers Offers a wealth of compelling case studies and real world examples Includes information on new platforms including Facebook Live and Snapchat Shows both small and large organizations how to best use Web based communication Finally everything you need to speak directly to your audience and establish a personal link with those who make your business work is in one place
