Profit from Facebook Instagram Stories Marketing Ads Hillary Scholl, 2018-07-07 Stories Marketing Ads I know how discouraging it can be to put your heart and efforts into a project or business only to feel like you've been left holding an empty bag. It can really make you want to throw in the towel but hang on. Don't give up on yourself or your business just yet. There are several things you can do to turn this situation around. If you're not setting and consistently meeting your business goals, something's got to give. You will need to identify where the breakdown is and fix it. Depending on which and how many goals are falling short of their marks, you may discover that you need to make multiple changes in a variety of areas. However, this doesn't mean you'll have to put in a lot of extra time and effort to achieve your goals. In fact, this is an opportune time to make the needed changes. I say this because now is your chance to implement a very beneficial marketing method: social media stories. Storytelling has always been popular, particularly when it comes to marketing. However, stories have emerged as an amazing strategy to use in conjunction with social media marketing. If you want to attract more business with social media stories, incorporate more visuals, interact with your target market, and meet your business goals, you're about to learn why audiences love social media stories. Visual stories excite, intrigue, and empower the viewer with choices. Whole stories can be consumed in seconds. Stories with hashtags are easy to find and access. Relevant stories make audiences feel more involved and important. Audiences like seeing the real you in real-life situations. Stories address their impulse wants as well as here-and-now needs. Stories can provide many highly visual forms of info within one story. Social media stories are still new in the big scheme of things. By adding these very visual stories, now you can still get early adoption benefits, which include being one of the people in your niche who is on the ball with the latest marketing methods. If creating visual content makes you want to run for the hills, you're not alone. Producing videos can be scary, and creating images may seem out of your league, but they're not. This book will show you how to quickly attract more business with social media stories, incorporate more visuals, interact with your target market, and meet your business goals.

Facebook, Twitter, & Instagram For Seniors For Dummies Marsha Collier, 2018-12-18 Enjoy the top social media sites with ease and security. Done correctly, social media is a way to connect friends, family, and the world while still maintaining security and privacy. Facebook, Twitter, Instagram For Seniors For Dummies 3rd Edition offers advice on how to enjoy the three most popular social media options while avoiding worry about who sees what you share. Written by social media expert Marsha Collier, this book walks you through establishing accounts, making connections, and sharing content, including photos and video. You learn the settings to adjust on each platform to maintain privacy and filter out the content you don't want. This book also explains the subtle art of avoiding or blocking people on social platforms without jeopardizing your real-world relationships. Take control of what you share. Connect with others. Take and share your best pictures. Use social media as a news source. Social media sites are great fun once you learn how to cut through the clutter, and this book shows you how.
