informal contexts of learning and teaching in order to recontextualize the review as a form of learning and rethink of its potential as an inclusive engaging and a transformative critical cultural practice This innovative and truly interdisciplinary study will interest students and researchers in the areas of media literacy digital media media and communication studies cultural studies sociology of arts and pedagogical studies in particular cultural journalism and criticism audience studies cultural production and cultural mediation as well as critical media pedagogy and literacy studies Writing Literature Reviews Melisa C. Galvan, Jose L. Galvan, 2024-11-14 Writing Literature Reviews A Guide for Students of the Social and Behavioral Sciences provides students with practical guidelines for the complex process of writing literature reviews for course projects theses or dissertations and research manuscripts for publication This bestselling book follows a systematic natural progression of steps and focuses on the writing of critical reviews of original research Steps and guidelines are organized sequentially and are illustrated with examples from a wide range of actual and recent academic journals Each chapter is designed to scaffold and help students develop a set of specific products that will contribute to a competent literature review Writing Literature Reviews is ideal for use in research methods courses thesis dissertation preparation courses research seminars where a literature review is expected as a culminating activity or any course in which the instructor needs to cover the vital components necessary to prepare a literature review for a variety of audiences The book is supported by online materials including self test quizzes for students and lecture slides for instructors New to this edition Expanded sections on plagiarism and selection bias Updated chapter examples and references Expanded discussion of digital research tools Discussion of the implications of AI use New model literature reviews that complement existing reviews that our longtime adopters have found useful These can serve as the basis for classroom discussions and as source material for end of chapter activities as needed Reviewing Culture Online Maarit Jaakkola, 2021-12-02 This book examines how ordinary users review cultural products online ranging from books to films and other art objects to consumer products The book maps different communities in institutional and non institutional settings which intersect with the genre of review especially in the social web where reviewing is conducted on platforms such as Instagram YouTube and Vimeo The book drawing on the key concepts of cultural intermediation platformized cultural production and post professionalism looks at user generated content in lifestyle communities beyond the binary of professional and amateur production Design of Effective Instagram Campaigns Carolin Wesche, 2020-04-28 Master s Thesis from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 1 3 University of Münster Institute for Value Based Marketing language English abstract The following study investigates the influence of traditional design stimuli applied to a brand post on the consumer s engagement rate on Instagram Consumer engagement thereby represents the effectiveness of a brand post and is defined by the ratio of the number of likes of a brand post and the number of followers of the brand Aiming at analyzing the effectiveness of traditional design stimuli on Instagram the author gathers 450 Instagram brand posts from five

different product categories which are subsequently assessed and coded The researcher then conducts a regression analysis as this allows to evaluate the influence of the traditional visual design stimuli on the consumer s engagement rate Whereas novel cognitive demanding stimuli are not found to influence the engagement rate for a brand post certain physically intensive prominent stimuli as well as some affective emotional stimuli have a significant influence The present study further investigates the moderating effect of brand knowledge on the magnitude of the stimuli s influence on consumer engagement rate The results indicate that brand knowledge has a moderating effect on certain stimuli For all other stimuli the influence on the engagement rate does not change for different levels of brand knowledge The results further show that design stimuli applied in brand posts on Instagram differ in their impact on the engagement rate depending on the product category shown in the brand post These findings can be used by managers to exploit the benefits of social media marketing on Instagram

Engaging content on Instagram. Best filter choice for the increase of photo views and likes of sport and leisure interested users Ilona Maties, 2018-06-18 Bachelor Thesis from the year 2016 in the subject Communications Public Relations Advertising Marketing Social Media grade 7 6 Stenden University course Bachelor of Business Administration Bachelor of Art language English abstract The social media world has increased fast and people become overwhelmed with information Since images play an important role in the social media world organizations have the opportunity to create a profile at the social media network Instagram to post filtered and non filtered photos to engage its users to view like and comment those Photo filters that increase warmth exposure and contrast get more likes and comments because they elicit feelings of arousal and excitement This theory can be attributed to the filters colours since red orange and yellow lead to states of arousal and excitement Next to that sport fans enjoy images in black white and sepia The sport company S is a client that has wished an Instagram profile from the company 12s For that reason the management did send many sport related photos to the media firm which they can post at their profile However the employees who are responsible for the Instagram profile are not sure if they should keep the images original or edit them with filters If they edit photos they can choose between filters what makes the choice harder since they do not know which filter viewers like For solving that problem a research was needed to give recommendations to the organization 12s for the best filter choice by analysing appealing colours and filters of lively Instagram users that are interested in sport and leisure via an experiment For the experiment two groups were randomly chosen which were as similar as possible All participants had to be interested in sport leisure One group had to answer questions about original photos and the second group about edited photos 16 images were posted in original and edited at the Instagram profile Bachelor_Workout to see which photos receive more likes The outcome shows that participants prefer photos edited Approximately edited photos receive min 20 per cent more views and likes compared to original photos Furthermore participants like warm colours filters such as Hefe and Valencia and the colourful filter Clarendon Especially men do like the black and white filter Moon compared to women who prefer the filter X_Pro_II To

engage Instagram users who are interested in sport and leisure 12s should edit photos with warm colours to reach the target group of the sport company S If they like to reach more men they can use the black and white filter Moon and if they concentrate more on women with a photo they should use the filter Rise

Unternehmenskommunikation über Social Media. Motive, einem Unternehmen auf Instagram zu folgen Jana Rother, 2021-03-17 Wissenschaftliche Studie aus dem Jahr 2018 im Fachbereich Medien Kommunikation Public Relations Werbung Marketing Social Media Note 1 0 Hochschule Osnabrück Kommunikationsmanagement Sprache Deutsch Abstract Diese Arbeit beschäftigt sich mit der Fragestellung welche Motive Nutzer dazu verleiten Unternehmen auf Instagram zu folgen Hierfür werden mithilfe quantitativer Befragungen Motive der Nutzer identifiziert Zunächst werden der

Begründungszusammenhang und die Relevanz der Untersuchung herausgestellt. In Zuge dessen wird auch das Forschungsvorhaben erläutert und die Forschungsfrage vorgestellt. Anschließend folgen die Darstellung und Begründung der gewählten Methode in Form der quantitativen Befragung. Danach werden die Gegenstände der Untersuchung definiert und erläutert. In Kapitel 5 werden die theoretischen Grundlagen und der aktuelle Forschungsstand vorgestellt, sodass in einem nächsten Schritt Motive ausgewählt und operationalisiert sowie Hypothesen formuliert werden können. Schließlich werden die Ergebnisse ausgewertet und die Hypothesen überprüft. Die Nutzung von Social Media gehört inzwischen zu einem elementaren Bestandteil der Unternehmenskommunikation. Und das nicht ohne Grund: Günstige Produktionskosten, interaktive Möglichkeiten, Globalität und zeitunabhängige Kommunikation sind nur einige Faktoren, die für eine online ausgerichtete Kommunikation sprechen. Hierfür steht eine Vielzahl an Plattformen wie Facebook, Twitter, YouTube, Pinterest oder LinkedIn zur Verfügung. Ein Dienst, der sich in den letzten Jahren großer Beliebtheit erfreut hat, ist die Foto-Plattform Instagram. Viele Unternehmen folgen bereits dem Hype um Instagram und sind hier vertreten. Allein im Jahr 2017 wurden innerhalb von nur sechs Monaten 17 Millionen Instagram Businessprofile neu angelegt. Damit verzeichnet Instagram 25 Millionen Unternehmensprofile weltweit. Auch auf der Nutzerseite ist ein Anstieg zu verzeichnen. Laut Statistiken folgen circa 80 Prozent der Nutzer einem Unternehmen auf Instagram. Doch wieso ist dies so?

Beyond Productivity Kim Hensley Owens, Derek Van Ittersum, 2023-11-15 In Beyond Productivity a wide range of contributors share honest narratives of the sometimes impossible conditions that scholars face when completing writing projects The essays provide backstage views of the authors varying approaches to moving forward when the desire to produce wanes when deciding a project is not working when working within and around and redefining academic productivity expectations and when writing with ever changing bodies that do not always function as expected This collection positions scholarly writers ways of writing as a form of flexible evolving knowledge By exhibiting what is lost and gained through successive rounds of transformation and adaptation over time the contributors offer a sustainable understanding and practice of process one that looks beyond productivity as the primary measure of success Each presents a fluid understanding of the writing process illustrating its deeply personal nature and revealing how fragmented and disjointed methods and experiences can highlight what is precious about writing Beyond Productivity determines anew the use and value of scholarly writing and the processes that produce it both within and beyond the context of the losses constraints and adaptations associated with the COVID 19 pandemic

Social Sensing and Big Data

Computing for Disaster Management Zhenlong Li, Qunying Huang, Christopher T. Emrich, 2020-12-17 Social Sensing and Big Data Computing for Disaster Management captures recent advancements in leveraging social sensing and big data computing for supporting disaster management. Specifically analysed within this book are some of the promises and pitfalls of social sensing data for disaster relevant information extraction, impact area assessment, population mapping, occurrence patterns, geographical disparities in social media use and inclusion in larger decision support systems. Traditional data collection methods such as remote sensing and field surveying often fail to offer timely information during or immediately following disaster events. Social sensing enables all citizens to become part of a large sensor network which is low cost, more comprehensive and always broadcasting situational awareness information. However, data collected with social sensing is often massive, heterogeneous, noisy and unreliable in some aspects. It comes in continuous streams and often lacks geospatial reference information. Together, these issues represent a grand challenge toward fully leveraging social sensing for emergency management decision making under extreme duress. Meanwhile, big data computing methods and technologies such as high performance computing, deep learning and multi source data fusion become critical components of using social sensing to understand the impact of and response to the disaster events in a timely fashion. This book was originally published as a special issue of the International Journal of Digital Earth.
