Vakharia, 2024-08-08 Anything is possible even building a better relationship with math This is much more than a book about math This is a book about hope Imagine failing 11th grade math twice and going on to be known affectionately as The Lady Gaga of Math That is the story of author Vanessa The Math Guru Vakharia Thanks to an inspiring teacher who helped Vanessa heal her own relationship with math Vanessa was then able to see math in a way that literally changed the trajectory of her life Most people have experienced math trauma at least once but by early mid elementary school many students have gotten the message that either they are a math person or they are not In Math Therapy™ Vanessa shows that with the right tools and strategies teachers can foster a culture in which every student is capable of building a better relationship with math and with themselves Through the five M's of Math Therapy™ Mythbust Moderate Motivate Makeover and Measure teachers can help their students overcome math trauma cultivate a positive math identity and develop a mathematical mindset Written in a fun and conversational style and grounded in research on math education and neuropsychology this book Provides practical hands on strategies and tools that make it easy and fun for teachers to implement each step of Math Therapy™ in their classroom Helps teachers unpack their own math history before diving in to what they can do to help their students Addresses the trauma induced stumbling blocks that many students face when tackling mathematics Includes humorous and engaging real life vignettes from celebrating Pi Day by visiting a prison to setting off a confetti cannon to

celebrate a student's milestone to the time Vanessa's band opened for Bon Jovi and more. Much more than a book about helping students kick butt in math class, this book is about empowering students to develop the skills they need to live a life in which they truly believe that anything is possible even a better relationship with math.

Proceedings of the International Conference on Law, Economic & Good Governance (IC-LAW 2023) Abdul Kadir Jaelani, Irwansyah Irwansyah, Fokke Fernhout, Agus Raharjo, Mohd Rizal Palil, Hilaire Tegnau, Okid Parama Astirin, Sutarno Sutarno, Venty Suryanti, Pranoto Pranoto, Robbi Rahim, 2024-02-21. This is an open access book. The position of Indonesia and most countries in IMF calculations facing the same challenges. Each country requires the legal instruments of a good and reliable system of Government to guard against the worst possible economic turmoil. Good governance is an insistence of the constitution in the economic Article 33 paragraph 5 subsequently published Constitution Number 30 Year of 2014 on Government Administration contains 17 principles of a good governance. One of the important points of the principle is a government without corruption and manipulation of policy concepts in order to provide access to consolidation in politics and economy. The latest Transparency International report for 2023 shows that Indonesia's corruption perception index was recorded at 34 points on a scale of 0-100 in 2022. This is a 4-point decrease from the previous year. This decline in the CPI also brought down the ranking of Indonesia's CPI globally. It was noted that Indonesia's CPI in 2022 ranked 110th. In the previous year, Indonesia's CPI was ranked 96th globally. Good Governance is all aspects related to the control and supervision of the power of the Government in carrying out its functions through formal and informal institutions. To implement the principles of Good Governance and Clean Government, the Government must implement the principles of accountability and efficient resource management. Good and clean governance will contribute to economic growth and economic growth will have an impact on human development. During the last decades of 20th century, the needs for a good governance has given some impacts and became a recurring theme in literature related to human development. The intervention of government or the quality of government become crucially important in relation to the high achievement of human development. Whereas an effort in improving society's welfare is through economic development. One of dominant aspects in economic development is through legal development. Good law or policy in such country will have some impacts to the existence of good economic growth because supremacy of law is one aspect of a good governance. Law supremacy is an important institution which is related to economic growth because rule of law ensures personal safety, property rights, unbiased contract enforcement, stability of politics, freedom of speech and control of corruption. According to those various issues and debates on economic legal development and good governance, then the Doctoral Program of the Faculty of Law Sebelas Maret University needs to hold an international conference as a place in exchanging some academic ideas in order to contribute to those legal issues with a theme INTERNATIONAL CONFERENCE ON LAW ECONOMICS AND GOOD GOVERNANCE.
