Journey To Centricity Ilenia Vidili, 2021-11-23 Managers and leaders know that customer centricity means providing positive customer experiences. But what if that's not enough? In the current age where Millennials and Generation Z are shaping the very fabric of society and business, to remain relevant, organisations must provide more than occasional good experiences. A narrow focus on short-termism, excessive tech automation, and outdated product mentalities are a liability to customer centricity. We need businesses that are willing to radically change, embrace a long-term customer-focused perspective, and are able to create value for all stakeholders. In *Journey to Centricity*, Ilenia Vidili instils a customer-oriented
