EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

Handbook of Services Marketing and Management Teresa Swartz, Dawn Iacobucci, 2000 What a rarity to see a who's who of thought leaders on any subject create original material for an anthology. It is a real collegial tribute to Teresa A. Swartz and Dawn Iacobucci that they have been able to assemble such a treasure of original material including some of the last from our late friend and colleague Eric Langeard on topics important to services marketing and management. James Heskett, Harvard Business School. The *Handbook of Services Marketing and Management* provides an excellent introduction to the topics and issues that define service marketing today. Editors Swartz and Iacobucci have recruited many of the leading names in service research to write the chapters in the book, ensuring that the *Handbook* will be a valuable reference for years to come. Roland T. Rust, *Journal of Service Research*. This *Handbook* contains an impressive collection of cutting edge contributions that should be of keen interest to service researchers and practitioners. It represents some of the best and most recent thinking on a wide range of service topics. A. Parasuraman, University of Miami, FL. Service business today constitutes the largest sector in advanced economies. This new *Handbook* provides a wealth of stimulating ideas and guidelines for improving the quality and effectiveness of service offerings. Philip Kotler, S. C. Johnson, Son Distinguished Professor of International Marketing, Northwestern University. Services, because of their intangibility, variability and perishability, call for management and marketing skills of a high order. This new *Handbook* belongs in the working library of managers charged with managing and marketing the service offerings of hotels, restaurant chains, airlines.

telecommunications companies entertainment companies professional services firms and countless other services industries Philip Kotler S C Johnson Son Distinguished Professor of International Marketing Northwestern University Despite the growth in services research and the dominance of services in the world economy no one book has emerged as a comprehensive guide for researchers and professionals until now The Handbook of Services Marketing and Management presents state of the art perspectives in the foundations of services while simultaneously challenging and expanding current services practices Editors Teresa A Swartz and Dawn Iacobucci invited the world s leading experts on services marketing and management to author individual chapters The result is an experienced international eclectic and cross disciplinary mix of authors all contributing cutting edge material on the frontiers of service research This handbook includes a unique mix of both in depth chapters as well as shorter more focused mini chapters which treat emerging issues in the field of services This structure makes the Handbook the most thorough reference possible The Handbook of Services Marketing and Management should have a place on the bookshelves of every academic graduate student and professional in the critical area of services
