Fall Boots Spotify Prices:

Copyright's Excess Glynn Lunney, 2018-04-12 For more than two hundred years copyright in the United States has rested on a simple premise more copyright will lead to more money for copyright owners and more money will lead to more original works of authorship In this important illuminating book Glynn Lunney tests that premise by tracking the rise and fall of the sound recording copyright from 1961 2015 along with the associated rise and fall in sales of recorded music Far from supporting copyright's fundamental premise the empirical evidence finds the exact opposite relationship more revenue led to fewer and lower quality hit songs Lunney's breakthrough research shows that what copyright does is vastly increase the earnings of our most popular artists and songs which net result means fewer hit songs This book should be read by anyone interested in how copyright operates in the real world

Awakening Mark Mulligan, 2015-04-16 *Awakening* is the definitive account of the music industry in the digital era It tells the inside story of how the music business grappled with the emergence of an entirely new digital economy with exclusive interviews with the people who shaped today's industry Mulligan's gripping narrative switches between the seismic market trends to the highly personal accounts of artists and digital pioneers It recounts the events that both spelt the end of the old industry and that are the foundation for the radical new successor that is about to emerge *Awakening* is written by the leading music industry analyst Mark Mulligan and includes interviews with 60 of the music industry's most important figures including million selling artists and more than 20 CEOs Alongside this unprecedented executive access *Awakening* uses exclusive data presented across 60 charts and figures to chart the music industry's digital journey and to lay out a vision of the future for the industry and artists alike For anyone interested in the music industry and the lessons it provides for all businesses in the digital era this is the only book you will ever need

Billboard, 2010-10-02 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
