Hopes and Fears Bromleigh McCleneghan, Lee Hull Moses, 2012-10-22 Bromleigh McCleneghan and Lee Hull Moses have written a book about being not

perfect parents in a not perfect world The result Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is a joyous celebration of child rearing in which any parent no matter how perfect can share I want to have a happy and healthy marriage and I want to have happy faithful kids proclaims co author McCleneghan in the introduction to the book But I reject the pervasive cultural lie that a happy marriage and the faithful kids are somehow the byproducts of some rigorous and largely unattainable personal or moral perfection Thus Hopes and Fears is neither a how to book nor a mere meditation Rather the authors seek to find the beautiful and the spiritual in the sometimes mundane activities that parents have performed since the beginning of history while at the same time allowing beautiful and spiritual insights of the past to inform and shape the activities of modern parenting Thus the words of a hymn can trigger an idea about how to deal with bedtime and an exercise in baby naming can lead to a better understanding of a passage in Isaiah The intertwining of the spiritual and familial in this book constantly surprises and delights a quote from Paul Tillich can stand next to one from Tina Fey or What to Expect When You re Expecting We are often reminded that the authors two longtime friends are ordinary working mothers Fortunately they are also experienced and well read congregational leaders and they bring that perspective to their reflections Hopes and Fears is also about sharing in the widest and deepest sense of that word As many parents know learning to share is one of the most difficult things for many children to acquire McCleneghan and Moses have decided to teach by example with this book noting we re hopeful that as we share our lives the trials and tribulations and incredible joys other parents will feel inspired to reflect on their own experiences and perhaps even to consider new ways in which their own faith is relevant to their identities as parents Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is highly suitable for group study as well as individual reflection

El Salvador in the Aftermath of Peace Ellen Moodie,2011-09-01 El Salvador s civil war which left at least 75 000 people dead and displaced more than a million ended in 1992 The accord between the government and the Farabundo Mart National Liberation Front FMLN has been lauded as a model post Cold War peace agreement But after the conflict stopped crime rates shot up The number of murder victims surpassed wartime death tolls Those who once feared the police and the state became frustrated by their lack of action Peace was not what Salvadorans had hoped it would be Citizens began saying to each other It s worse than the war El Salvador in the Aftermath of Peace Crime Uncertainty and the Transition to Democracy challenges the pronouncements of policy analysts and politicians by examining Salvadoran daily life as told by ordinary people who have limited influence or affluence Anthropologist Ellen Moodie spent much of the decade after the war gathering crime stories from various neighborhoods in the capital city of San Salvador True accounts of theft assaults and murders were shared across kitchen tables on street corners and in the news media This postconflict storytelling reframed violent acts rendering them as driven by common criminality rather than political ideology Moodie shows how public dangers narrated in terms of private experience shaped a new interpretation of individual risk These narratives of postwar violence occurring at the intersection of self and other citizen and state the powerful and the powerless offered ways of coping with uncertainty during a stunted transition to democracy

Mr. Clemens and Mark Twain Justin Kaplan,2008-06-30 Mark Twain the American comic genius who portrayed named and in part exemplified America s Gilded Age comes alive in Justin Kaplan s extraordinary biography With brilliant immediacy Mr Clemens and Mark Twain brings to life a towering literary figure whose dual persona symbolized the emerging American conflict between down

to earth morality and freewheeling ambition As Mark Twain he was the Mississippi riverboat pilot the satirist with a fiery hatred of pretension and the author of such classics as Tom Sawyer and Huckleberry Finn As Mr Clemens he was the star who married an heiress built a palatial estate threw away fortunes on harebrained financial schemes and lived the extravagant life that Mark Twain despised Kaplan effectively portrays the triumphant tragic man whose achievements and failures laughter and anger reflect a crucial generation in our past as well as his own dark divided and remarkably contemporary spirit Mr Clemens and Mark Twain brilliantly conveys this towering literary figure who was himself a symbol of the peculiarly American conflict between moral scrutiny and the drive to succeed Mr Clemens lived the Gilded Life that Mark Twain despised The merging and fragmenting of these and other identities as the biography unfolds results in a magnificent projection of the whole man the great comic spirit and the exuberant tragic human being who his friend William Dean Howells said was sole incomparable the Lincoln of our literature *The Brewer's Digest* ,1971
