Curbing It Jeff Garlin, 2012-01-03 Jeff Garlin shares his hysterical and eye opening journey to reduce his waistline and his carbon footprint during the production of the seventh season of HBO's *Curb Your Enthusiasm*. Jeff Garlin has dedicated the filming of an entire season of *Curb Your Enthusiasm* to completely making over his lifestyle in two major ways by lightening his physical and his ecological footprints. After many false starts he believes that writing a book about the experiment is the only possible way to help him lose weight and go green. The hardest part of the endeavor is overcoming his food addiction especially when craft service has a constant buffet of everything delicious you could imagine on set. In addition to cutting calories Jeff accidentally falls into a love affair with pilates sweats with Richard Simmons and twice visits the Pritikin Longevity Center which he says is rehab for people who eat too much pizza. Larry David's rooting for him. Jerry Seinfeld's plotting against him. And his wife is just plain annoyed by everything. As far as going green Jeff has always been a big recycler but he has a lot to learn. For example actor Ed Begley Jr is the guy to call if you want to reduce your environmental impact. Jeff does and it changes everything. He hopes that being healthy and green becomes a big part of who he is if not now when.

East of Croydon Sue Perkins, 2018-10-18 Follow Sue Perkins extraordinary adventures across southern Asia in this fabulously funny travelling tale inspired by her BBC 1 documentary series *The Ganges with Sue Perkins*. Vivid laugh out loud moving. Sunday Express A few years ago I was asked if I'd like to make a documentary on the Mekong River travelling from the vast delta in Vietnam to the remote and snowy peaks of Tibet. Up until that point the farthest East I'd been was Torremolinos in the Costa Del Sol. Here's the thing I am scared of flying. I have zero practical skills. I can't survive if I am more than a three minute walk from a supermarket. For the last seven years I have suffered with crippling anxiety. I bolt when panicked. I cannot bear to witness humans or animals in distress. I have no ability to learn languages. I am a terrible hypochondriac. Oh and I am no good with boats. So I said yes. SHORTLISTED FOR AUTOBIOGRAPHY OF THE YEAR AT THE 2018 NATIONAL BOOK AWARDS. Part memoir part travel guide. A fab account full of wit and emotion. Prima An unvarnished endearing and very funny account. Woman Home _____ Praise for Spectacles Utterly wonderful. It's very very funny and poignant. Nina Stibbe bestselling author of *Reasons to be Cheerful*. Very funny. Reading her memoir is very like meeting her. Sunday Times Charming and funny. Like going for a long slightly drunken lunch with your naughtiest friend. Red Brilliantly written fearlessly honest and full of heart. It will also make you laugh like a gibbon.
