Always a Bridesmaid (For Hire) Jen Glantz, 2017-02-07 In the tradition of Sloane Crosley Mindy Kaling and Katie Heaney a hilarious and insightful memoir about one New York City millennial's journey to find herself her dream career and true love all while juggling a truly unique job as the world's only professional bridesmaid After moving to New York City in her mid twenties to pursue her dream of writing and not living on the Upper East Side of her parents house anymore Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties What she got instead were a string of phone calls that began with Jen I have something exciting to tell you and ended with I'd be honored if you would be my bridesmaid At first she was delighted but it wasn't long before she realized two things all of her assets were tied up in bridesmaid dresses and she herself was no closer to finding The One She couldn't do much about the second thing though her mother would beg to differ but she could about the first One slightly tipsy night Jen posted an ad on Craigslist advertising her services as a professional bridesmaid When she woke up the next morning it had gone viral What began as a half joke suddenly turned into a lifetime of adventure for Jen and more insight into the meaning of love than she was getting from OKCupid as she walked down the aisle at stranger after stranger's wedding Fresh funny and surprisingly sweet *Always a Bridesmaid For Hire* is an entertaining reminder that even if you don't have everything together you can still be a total boss or at the very least a BFF to another girl in need

Be Your Own Change Guru: The Ultimate Women's Guide for Thriving at Midlife Susan Paget, 2014-01-13 When Susan Paget was 47 years old she realized that even though she was reasonably healthy had a happy family life and a career as a television producer something wasn't right Unable to sleep having panic attacks and all around feeling lousy her own doctors weren't able to get to the bottom of what was going on It took watching a daytime talk show for Susan to work out that she was smack in the middle of perimenopause the lead up to menopause Susan soon discovered a strange code of silence around this natural process and took off on a mission to discover what was happening how to take charge and feel good during this key time of life *Be Your Own Change Guru The Ultimate Women's Guide For Thriving At Midlife* is a step by step guide for making change specifically for women over 40 The book addresses common midlife challenges including relationship issues career transition body image finding life purpose and facing empty nest and fertility issues while at the same time weaving Susan's personal journey throughout

The Business of Entertainment Robert C. empty wastelands Simple But behind these experiences is a complex industry dominated by a handful of global media conglomerates whose executives exert considerable influence over the artists and projects they bankroll the processes by which products are developed and the methods they use to promote and distribute entertainment As this set shows the industries in which commerce art and technology intersect are among the most fascinating in all of business Entertainment is a high stakes industry where stars are born and flame out in the blink of an eye where multimillion dollar deals are made on a daily basis and where cultural mores for better or worse are shaped and reinforced The Business of Entertainment lifts the curtain to show the machinery and sleight of hand behind the films TV shows music and radio programs we can t live without The Business of Entertainment comprises three volumes covering movies popular music and television But it s not all about stars and glitter it s as much about the nuts and bolts of daily life in the industry including the challenges of digitizing content globalization promoting stars and shows protecting intellectual property developing talent employing the latest technology and getting projects done on time and within budget Challenges don t end there There s also advertising and product placement the power of reviews and reviewers the cancerous spread of piracy the battles between cable and satellite operators and the threat to both from telephone companies the backlash to promoting gangsta lifestyles and more Each chapter is written by an authority in the field from noted scholars to entertainment industry professionals to critics to screenwriters to lawyers The result is a fascinating mosaic with each chapter a gem that provides insight into the industry that hands down generates more conversations on a daily basis than any other *Convenience Store News* ,1998-07

Expect Miracles Joe Vitale,2013-12-17 We all want success but oftentimes don t know where to start *Expect Miracles* can teach you where to start looking for success starting with learning to help yourself through your perception of the world Manifesting your dreams and wishes is easier than we think it is Vitale s practical easy to apply psychology involves attracting your life desires by understanding and accepting them We all struggle against the paradox of wanting wealth but believing that it is evil This book enables readers to see through that facade showing results on their own quickly and easily Miracles are neither impossible to experience nor difficult to achieve if we allow ourselves to make them possible With an interesting and unique take on spirituality and an aggressive edge to keep the reader motivated it asks more out of us than any other of its kind and if anyone knows about going from poverty to world renowned success it s Dr Joe Vitale No matter what it is that holds you back from success whether you are afraid of your own success whether your beliefs are holding you back or even if you simply don t believe that success is possible for you *Expect Miracles* can teach anyone how to live a better life by simply changing their perspective **5% More** Michael Alden,2016-07-26 Small changes lead to big results that stick **5% More** presents a painless route to change with results that can last a lifetime Whether you want to boost your health wealth or wisdom this book reveals a key technique that makes it stick You may already know that breaking big goals into small chunks makes them easier to achieve but the trick is in making those chunks large enough to be productive yet small

enough to be sustainable This book shows you how to bring your goals within reach with only five percent more effort Five percent is almost unnoticeable in terms of effort but it accrues quickly with each step boosting the baseline Increase sales decrease your marathon time boost your savings or master a new skill Just five percent more can get you where you want to be Small changes small commitments and small adjustments can lead to very big results You can accomplish more than you ever thought possible in your business or in your life This book walks you through the 5% More strategy to help you map your path to the future Accomplish big changes with very small steps Make bigger leaps in progress each step of the way Break big goals into manageable milestones Find a change that you can stick to for the long term Mountain climbers don't conquer Everest on their first time out attempting to do so would be a tragic failure No matter what your goal no matter what your baseline small incremental steps set you up for success 5% More gives you a concrete strategy for realizing your goals and making changes that last

A False Report T. Christian Miller, Ken Armstrong, 2018-02-06 Now the Netflix Limited Series Unbelievable starring Toni Collette Merritt Wever and Kaitlyn Dever Two Pulitzer Prize winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped and the detectives who followed a winding path to arrive at the truth Gripping with a John Grisham worthy twist Emily Bazelon New York Times Book Review Editors Choice On August 11 2008 eighteen year old Marie reported that a masked man broke into her apartment near Seattle Washington and raped her Within days police and even those closest to Marie became suspicious of her story The police swiftly pivoted and began investigating Marie Confronted with inconsistencies in her story and the doubts of others Marie broke down and said her story was a lie a bid for attention Police charged Marie with false reporting and she was branded a liar More than two years later Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault Describing the crime to her husband that night Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town She joined forces with the detective on that case Edna Hendershot and the two soon discovered they were dealing with a serial rapist a man who photographed his victims threatening to release the images online and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado and beyond Based on investigative files and extensive interviews with the principals *A False Report* is a serpentine tale of doubt lies and a hunt for justice unveiling the disturbing truth of how sexual assault is investigated today and the long history of skepticism toward rape victims

Winners Take All Anand Giridharadas, 2018-08-28 NEW YORK TIMES BESTSELLER The groundbreaking investigation of how the global elite's efforts to change the world preserve the status quo and obscure their role in causing the problems they later seek to solve An essential read for understanding some of the egregious abuses of power that dominate today's news Impassioned Entertaining reading The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age where the rich and powerful fight for equality and justice any way they can except ways that

threaten the social order and their position atop it They rebrand themselves as saviors of the poor they lavishly reward thought leaders who redefine change in ways that preserve the status quo and they constantly seek to do more good but never less harm Giridharadas asks hard questions Why for example should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes His groundbreaking investigation has already forced a great sorely needed reckoning among the world's wealthiest and those they hover above and it points toward an answer Rather than rely on scraps from the winners we must take on the grueling democratic work of building more robust egalitarian institutions and truly changing the world a call to action for elites and everyday citizens alike
