Dear Ms. Thompson,

I hope this letter finds you well. I am writing on behalf of my daughter, who recently received an admission offer from your esteemed institution. We are both appreciative and excited about this opportunity. However, upon careful consideration of the financial aid package that was offered, we find ourselves in a challenging position.

Disassociation Sophia Z. Kovachevich,2025-07-07 The book looks at some of the problems in our world today It is based on extensive research It shows the problems that colonisation brought into the world and how that has permeated into the very fabric of society It shows the beginning of genocides and concentration camps and the present state of both in the 21st century world It also looks at where the greatest threats to the world peace are posed today which countries are still in the throes of genocide what is the connection between eugenics and killing Further it covers information pertinent to our world today but which very few lay people have any concept about We live in this world It is our world We should all make an attempt to care for our world to the best of our ability and avoid dissension and war whenever possible War brings nothing good to anyone but fosters a lot of negativity among nation countries cultures and religions in the world This book is about bringing awareness to the precarious position our world and environment is in If wars continue at this rate the soil air water will be so polluted and poisoned cancers and other unknown diseases rampant that future generations and all living creatures will be horribly affected as in the Mekong Delta with much less poison We must protect our descendants from such folly It is our duty **Fiscal measures for environmental protection : two divergent views.** Orlands Delogu,1976
