While You Were Out Meg Kissinger,2023-09-05 From award winning journalist Meg Kissinger a searing memoir of a family besieged by mental illness as well as an incisive exploration of the systems that failed them and a testament to the love that sustained them Growing up in the 1960s in the suburbs of Chicago Meg Kissinger s family seemed to live a charmed life With eight kids and two loving parents the Kissingers radiated a warm boisterous energy Whether they were spending summer days on the shores of Lake Michigan barreling down the ski slopes or navigating the trials of their Catholic school the Kissingers always knew how to live large and play hard But behind closed doors a harsher reality was unfolding a heavily medicated mother hospitalized for anxiety and depression a manic father prone to violence and children in the throes of bipolar disorder and depression two of

whom would take their own lives Through it all the Kissingers faced the world with their signature dark humor and the unspoken family rule never talk about it While You Were Out begins as the personal story of one family s struggles then opens outward as Kissinger details how childhood tragedy catalyzed a journalism career focused on exposing our country s flawed mental health care Combining the intimacy of memoir with the rigor of investigative reporting the book explores the consequences of shame the havoc of botched public policy and the hope offered by new treatment strategies Powerful candid and filled with surprising humor this is the story of one family s love and resilience in face of great loss **Database**

thoughtful and in depth exploration of the pleasures and perils of modern romance from Aziz Ansari the star of Master of
None and one of this generation s sharpest comedic voices At some point every one of us embarks on a journey to find love
We meet people date get into and out of relationships all with the hope of finding someone with whom we share a deep

have more romantic options than at any point in human history With technology our abilities to connect with and sort
through these options are staggering So why are so many people frustrated Some of our problems are unique to our time
Why did this guy just text me an emoji of a pizza Should I go out with this girl even though she listed Combos as one of her
favorite snack foods Combos My girlfriend just got a message from some dude named Nathan Who s Nathan Did he just send
her a photo of his penis Should I check just to be sure But the transformation of our romantic lives can t be explained by
technology alone In a short period of time the whole culture of finding love has changed dramatically A few decades ago
people would find a decent person who lived in their neighborhood Their families would meet and after deciding neither
party seemed like a murderer they would get married and soon have a kid all by the time they were twenty four Today people
marry later than ever and spend years of their lives on a quest to find the perfect person a soul mate For years Aziz Ansari
has been aiming his comic insight at modern romance but for Modern Romance the book he decided he needed to take things
to another level He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project including
hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita They analyzed
behavioral data and surveys and created their own online research forum on Reddit which drew thousands of messages They
enlisted the world s leading social scientists including Andrew Cherlin Eli Finkel Helen Fisher Sheena Iyengar Barry
Schwartz Sherry Turkle and Robb Willer The result is unlike any social science or humor book we ve seen before In Modern
Romance Ansari combines his irreverent humor with cutting edge social science to give us an unforgettable tour of our new
