Expertly plotted and skillfully written with suspicious characters, devious twists and evocative locations. Janice Hallett, author of *The Appeal* on *The Antique Hunter's Guide to Murder*. It's a delicious read packed with fascinating details in a picture perfect setting. Who could resist a treasure hunt with murder at its core. S.J. Bennett, author of *The Windsor Knot* on *The Antique Hunter's Guide to Murder*. **Swamp Wars** Jeffrey Lord, 2019-05-28 Donald Trump's insurgent candidacy and subsequent presidency are larger than the man. He has ridden a wave of populist anger, conservatism and fervor for reform that is aimed directly at The Swamp, the entrenched powers that be in Washington and elsewhere. The Old Order of an elite government-media-academia triad. Swamp rulers and warriors alike have set the tone for American politics, virtually unchallenged for a generation. Now, however, they are caught, surprised and flat-footed by the populist revolt that threatens their stranglehold on our nation's policy and politics. Predictably, the Old Order has spent the Trump presidency attempting to delegitimize the New Populism, defining legitimate popular dissent as an outgrowth of racism, sexism and other forms of bigotry, while executing vicious personal assaults on the character of anyone who speaks for the movement, whether it's Donald Trump, members of his administration, his few admirers in the media or even average Trump supporting Americans who have had the audacity to speak out. These explosive Swamp Wars erupting almost daily in breaking news headlines represent a pitched battle for the heart, soul and future of America. **The Only Three Questions That Still Count** Ken Fisher, 2025-11-03 An insightful and practical guide to beating the markets. general's daughter's advances and U.S. Marine Captain Rad Kozlowski wasn't afraid to admit he was in real danger. The only way to evade her was to find a fake bride. And he knew just the beautiful blonde to play the part. Experience had taught brainy bookseller Serena Anderson to steer clear of military men. But when Rad offered her a too good to be true deal in exchange for marriage, Serena agreed to a little pretence. After all, since neither wanted to settle down, the only thing at risk was a few kisses and then a few more.

Risqué Business Ty Matejowsky, 2025-08-15 *Risqué Business* serves up the breasted industry where food service, sex, appeal, identity, and gender politics mix. *Risqué Business* explores the rise and ongoing cultural reckoning of breasted restaurants, sports bar style restaurants like Hooters and Twin Peaks, which have long relied on the sexualized presentation of female servers to attract a mostly straight male clientele. Ty Matejowsky, professor of anthropology at the University of Central Florida, is uniquely positioned in America's foundational breasted restaurant saturated landscape. From this vantage, he offers a well-balanced account that draws on pop culture, media analysis, and contemporary gender politics. He delivers a smart, layered analysis of how breasted restaurants commodify youth and femininity, uphold retrograde masculinity, and serve as symbolic battlegrounds in today's highly charged political environments, including America's deeply polarized Red State/Blue State divide. With case studies, cultural critique, and a critical lens on labor and sexuality, Matejowsky reveals how these restaurants are more than just risqué marketing gimmicks. They reflect deeper anxieties about gender identity and the uneasy fusion of sex and service in American consumer culture. *Risqué Business* is a high-spirited study of an industry that thrives at the intersection of appetite and identity.

The Old Girls' Book of Dreams Cal Garrison, 2025-09-12. Imagine a woman who's part Mae West, part Dear Abby, with a scoop of Glenda and a large dollop of Kali energy who tells it like Janis Joplin might. Cal Garrison is that woman, a professional witch and astrologer who in her first book *The Old Girls Book of Spells* invited women of a certain age to use her spells to enliven their love lives, find their car keys, and prevail at work and at home. In this sequel, Garrison invites these same women to take a few minutes a day throughout the year to conjure their own dreams and magic. In the Introduction, she teaches women to put their minds on the shelf and get into their hearts to discover their true desire and write it down. Organized by the signs of the zodiac, beginning with Capricorn and ending with Sagittarius, *The Old Girls Book of Dreams* offers tidbits of wisdom, relevant stories from the author's life, and ideas about what kind of magic and energy to look for in each month. When is it time to plant the seeds? And when is it time to reap the fruit? Garrison offers twelve essays, well-told stories, well-earned pages of hard-won knowledge, and homespun advice. Each of these is followed by 12 blank pages, here's where you record your dreams and begin to conjure them into reality. [America's Trial](#) John Ryan, 2025-08-12. The behind-the-scenes look at the biggest and perhaps the strangest case in US history, the prosecution of the five detainees accused of planning 9/11. Told with exceptional and colorful detail, *America's Trial* is the only comprehensive account of the effort to prosecute the five Guantanamo Bay detainees accused of planning the worst crime in US history, the September 11th terrorist attacks. While ignored by most media outlets, the result has been a riveting courtroom drama to determine if a democracy has the legal and moral authority to prosecute the men it previously tortured. Our government so willing to break from norms and its own values with the CIA rendition program, has spent a maddening amount of time trying to fit the victims of illegal interrogations into a court of law. *America's Trial* captures these events from the vantage point of one of only two journalists in the world to live part-time on the base over the past ten years. In telling this story over fifty-five reporting trips, award-winning journalist John Ryan takes readers into an ecosystem that so few get to see, capturing the unique life experience of having one of the most notorious places on earth as a second home. The historic legal effort is inseparable from the surreal context and the absurdities of hosting the biggest case in US history in what is effectively a small Caribbean beach town. *America's Trial* serves as a necessary bookend to events that have defined much of the war on terror.
