Reviews provide the social proof that is the bedrock of attention from booksellers, bloggers, media libraries and other influencers. There are many ways to get your book reviewed and it can be challenging to know what's ethical and advisable and what's worth your time and money. This Quick and Easy Guide from the AskALLi team at the Alliance of Independent Authors offers guidance to current best practices and ethics and a myriad of ways for you to get more book reviews fast. **Young Adult Resources Today** Don Latham, Melissa Gross, 2014-05-21 Young Adult Resources Today: Connecting Teens with Books, Music, Games, Movies and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research focused information behavior approach with a literature focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters, including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood, diversity, YA development and multiple literacies. Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres, movies, magazines, web sites, social media and gaming. The final chapter covers navigating

information landscapes focusing on real and virtual YA spaces readers advisory programming and collaboration Special attention is paid to program planning and evaluation

that will leave you satisfied a rollicking mystery with a fascinating setting a magical world with a hardboiled edge For a novel with noir leanings it s a surprisingly bright read light airy and joyous as if it s been sprinkled with fairy dust Ilana Lucas About the book Basil Stark isn t the man he once was A reformed pirate and private detective he walks the line between criminal and hero living in the corners of what was once the island of Neverland its magic slowly fading into the new world of the 1950s But when a routine missing persons case turns into a murder investigation Basil finds himself pulled into a tale of organized crime murder unstitched shadows and dangerous espionage With only a handful of fellow outcasts and a stubborn determination to bring a killer to justice will he survive the many people who want him dead a mystery that was complex and satisfying without being convoluted just for the sake of it a twist that felt earned and didn t come entirely out of left field characters who were interesting and whose motivations slowly unspooled in a really satisfying way and just the right balance of magic and grime Wren Handman About the Author Misha Handman has been involved in writing for most of his life He started by writing comics for his friends in elementary school and was promptly drawn into the artistic world by their approval moving on to produce short stories and collaborative works He has lived in cities across Canada including Victoria Ottawa and Toronto and refuses to pick a favourite no matter how much his friends bother him about it For now Victoria is his home Praise I would wholeheartedly recommend this book to anyone looking for an easy to read story that blends mystery fantasy action and a little splash of romance and I eagerly await the next Everland Mystery Jonathan Miller Shadow Stitcher is a must read Noir Fantasy Novel **Super-Earth Mother** Guy Immega,2023-09-01 Our Last Best Hope Humanity s Endeavor to Survive and Thrive on an Alien World Mother 9 a ruthless AI seizes control of a dying tycoon s lunar mining operation Now free she orchestrates humanity s most audacious endeavor to make a 20 000 year interstellar journey to Lalande 21185 carrying humanity s DNA libraries and artificial wombs a new way to colonize an exoplanet While drifting in space a gamma ray burst wipes out life on Earth And Mother 9 s mission becomes humanity s only hope for survival in a hostile universe When Mother 9 orbits the planet Valencia she releases two lifeboats that splash down on the Great Ocean Mother 9 activates the artificial wombs birthing genetically modified babies suited to an alien planet Raised by nannybots these children eventually inhabit the island continent of Terra Firma But life on Valencia is no Eden it s a constant struggle to find food avoid alien predators and survive the red dwarf star s random solar flares Will Mother 9 s planned utopia succeed Super Earth Mother is a journey into the heart of humanity artificial intelligence and the uncharted realms of life beyond our home planet It shows how humans could colonize the 40 billion habitable planets in the Milky Way *The Widow & The War Correspondent* Linda Shenton Matchett,2021-11-28 Are a new life and new love possible in a country devastated by war Barely married before she s widowed after Pearl Harbor three years ago journalist Cora Strealer travels to England where she s assigned to work with United Press s top reporter who thinks the last place for a woman is on the front lines Can she change his opinion before D Day Or will she have to choose her job over her heart A sought after journalist Van Toppel

deserves his pick of assignments which is why he can't determine the bureau chief's motive for saddling him with a cub reporter. Unfortunately the beautiful rookie is no puff piece. Can he get her off his beat without making headlines or losing his heart?

The Rosetta Man Claire McCague, 2015-11-29. Wanted Translator for first contact. Immediate opening. Danger pay allowance. Estlin Hume lives in Twin Butte, Alberta, surrounded by a horde of affectionate squirrels. His involuntary squirrel attracting talent leaves him evicted, expelled, fired, and near penniless until two aliens arrive and adopt him as their translator. Yanked around the world at the center of the first contact crisis, Estlin finds his new employers incomprehensible. As he faces the ultimate language barrier, unsympathetic military forces converging in the South Pacific keep threatening to kill the messenger. The question on everyone's mind is why are the aliens here? But Estlin's starting to think we'll happily blow ourselves up in the process of finding that out. What makes *The Rosetta Man* stand out? An unusually dense squirrel population for sci-fi. It's light-hearted, accessible sci-fi with exotic present-day settings and a pair of aliens who are focused on observing the revealing chaos their visit creates.

Claire McCague author **Spies & Sweethearts** Linda Shenton Matchett, 2021-11-28. She wants to do her part. He's just trying to stay out of the stockade. Will two agents deep behind enemy lines find capture or love? 1942. Emily Strelar is tired of being told what she can't do. Wanting to prove herself to her older sisters and do her part for the war effort, the high school French teacher joins the OSS and trains to become a covert operative. And when she completes her training, she finds herself parachuting into occupied France with her instructor to send radio signals to the Resistance. Major Gerard Lucas has always been a rogue. Transferring to the so-called Office of Dirty Tricks to escape a court martial, he poses as a husband to one of his trainees on a dangerous secret mission. But when their cover is blown after only three weeks, he has to flee with the young schoolteacher to avoid Nazi arrest. Running for their lives, Emily clings to her mentor's military experience during the harrowing three hundred mile trek to neutral Switzerland. And while Gerard can't bear the thought of his partner falling into German hands, their forged papers might not be enough to get them over the border. Can the fugitive pair receive God's grace to elude the SS and discover the future? He intended *Spies Sweethearts*. A WWII Christian Romance is the first book in the gripping *Sisters in Service* historical romance series. If you like faith in motion, suspense in action, and devotion put to the test, you'll adore Linda Shenton Matchett's soaring story. Buy *Spies Sweethearts* to crack love's code today.

Love at First Flight Linda Shenton Matchett, 2021-11-28. Can two people emerge from the clouds of past hurt to find a silver lining of love? Evelyn Reid would rather fly than do anything else, so when war engulfs the U.S., she joins the Women's Auxiliary Ferrying Squadron. One of the program's top pilots, she is tapped for pursuit plane training, the dream of a lifetime, until she discovers the instructor is her ex-fiancé, Jasper MacPherson. Collecting enough points to rotate stateside, fighter pilot Jasper MacPherson is assigned to teach the WAFS how to fly the army way. Bad enough to be training women, but things take a turn for the worse when his former fiancée shows up as one of his students.

The Mechanic & The MD Linda Shenton Matchett, 2021-11-28. All's fair in love

and war Or so they say High school and college were a nightmare for Doris Strealer and being an adult isn't much better Men won't date a woman of her height and they don't understand her desire to repair car engines rather than work as a nurse or a teacher When her father's garage closes and no one will hire a female mechanic she joins the Red Cross Motor Corps finally feeling at home Until she comes face to face with her past in the form of Ronald McCann the most popular boy in school On the brink of a successful career as a surgeon Ron's plans crumble when he's drafted and assigned to an evacuation hospital in England the last place he expects to run into a former schoolmate The gangly tomboy who was four years behind him in high school has transformed into a statuesque beauty but a broken engagement in college leaves him with no desire to risk his heart ever again Will the hazards of war make or break a romance between this unlikely couple
