Long,2025-11-18 From Napoleon to nuclear war War Is Hell unravels the brutal rise of total war and its devastating impact on soldiers and civilians alike General William Tecumseh Sherman said it best during the American Civil War War is hell for soldiers as well as for civilians As a pioneer and practitioner of total war Sherman knew better than most what warfare had become by the middle of the nineteenth century how it had become a devastating all consuming affair that aimed not only at armies but also at societies and economies in order to undermine a country s will to fight Indeed this is the central story of warfare during the past two hundred years from Napoleon s massive armies tearing through Europe and Sherman s march through Georgia to the fire bombings of World War II and the threat of nuclear annihilation In War Is Hell Daniel Long tracks the rise of total war across two centuries of bloody warfare and pays special attention to the impact on civilians as they become more deeply

enmeshed in armed conflict and as war becomes ever more lethal Total war rose from roots in ancient times but gained speed as the world industrialized at the beginning of the nineteenth century It is the story of Napoleon and Sherman the Indian Wars on the American Plains the Rape of Belgium in World War I and the Rape of Nanking in 1937 and the bombings of Japanese and German cities during World War II In the years since 1945 large scale war has declined but the small wars that have proliferated in its place have enmeshed civilians just as thoroughly just as devastatingly Vietnam Cambodia the Iran Iraq War Bosnia and Kosovo Rwanda and Ukraine remind us that warfare remains total the human cost high War Is Hell is essential reading for understanding the past as well as a present **Cue** ,1969 **The ESPN Pro Football**

Encyclopedia Pete Palmer,Gary Gillette,2007 Presents the statistics of professional American football players coaches and teams for each season from 1920 2006 **Play Harder** Gerald Early,National Baseball Hall of Fame,2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson s breaking of the color barrier up to today s game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America s sense of itself with its identity than baseball No sport has been so inextricably bound with America s traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 Play Harder comes at a time when the history of Black baseball has become especially relevant following MLB s recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today **Target Group Index** ,1976 **TV Guide** ,1993 **Mobil Travel Guide Northern California** Mobil Travel Guide,2006-12 With Mobil Travel Guide s Star Rated lodgings and restaurants travelers can take time to enjoy Northern
