Walls,Gregory Bassham,2007-03-09 What can the film Hoosiers teach us about the meaning of life How can ancient Eastern wisdom traditions such as Taoism and Zen Buddhism improve our jump shots What can the Zen Master Phil Jackson and the Big Aristotle Shaquille O Neal teach us about sustained excellence and success Is women s basketball better basketball How ethically should one deal with a strategic cheater in pickup basketball With NBA and NCAA team rosters constantly changing what does it mean to play for the same team What can coaching legends Dean Smith Rick Pitino Pat Summitt and Mike Krzyzewski teach us about character achievement and competition What makes basketball such a beautiful game to watch and play Basketball is now the most popular team sport in the United States each year more than 50 million Americans attend college and pro basketball games When Dr James Naismith the inventor of basketball first nailed two peach baskets at the opposite ends of a Springfield Massachusetts gym in 1891 he had little idea of how thoroughly the game would shape American and international culture Hoops superstars such as Michael Jordan LeBron James and Yao Ming are now instantly recognized celebrities all across the planet So what can a group of philosophers add to the understanding of basketball It is a relatively simple game but as Kant and Dennis Rodman liked to say appearances can be deceiving Coach Phil Jackson actively uses philosophy to improve player performance and to motivate and inspire his team and his fellow coaches both on and off the court Jackson has integrated philosophy into his coaching and his personal life so thoroughly that it is often difficult to distinguish his role as a basketball coach from his role as a philosophical guide and mentor to his players In Basketball and Philosophy a Dream Team of twenty six basketball fans most of whom also happen to be philosophers proves that basketball is the thinking person s sport They look at what happens when the Tao meets the hardwood as they explore the teamwork patience selflessness and balanced and harmonious action that make up the art of playing basketball Ebony ,1977-01

Understanding Business leads the way **Kings of the Garden** Adam J. Criblez, 2024-04-15 In *Kings of the Garden* Adam J Criblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on court success and their struggles mirrored those facing New York City over the same span In the mid seventies as the Knicks lost more games than they won and played before smaller and smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair *Kings of the Garden* details how the Knicks fortunes and those of New York City were inextricably linked As the team s Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Criblez s fascinating account of the era shows that even though the team s efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time **Communication and Sport** Andrew C.
