Indigenous People, Race Relations and Australian Sport Christopher J. Hallinan, Barry Judd, 2016-05-06 The Indigenous peoples of Australia have a proud history of participation and the achievement of excellence in Australian sports Historically Australian sports have provided a rare and important social context in which Indigenous Australians could engage with and participate in non Indigenous society Today Indigenous Australian people in sports continue to provide important points of reference around which national public dialogue about racial and cultural relations in Australia takes place Yet much media coverage surrounding these issues and almost all academic interest concerning Indigenous people and Australian sports is constructed from non Indigenous perspectives With a few notable exceptions the racial and cultural implications of Australian sports as viewed from an Indigenous Australian Studies perspective remains understudied The media coverage and academic discussion of Indigenous people and Australian sports is largely constructed within the context of Anglo Australian nationalist discourse and becomes most emphasised when reporting on aspects of racial and cultural explanations of Indigenous sporting excellence and failures associated anomalous behaviour This book investigates the many ways that Indigenous Australians have engaged with Australian sports and the

racial and cultural readings that have been associated with these engagements Questions concerning the importance that sports play in constructions of Australian indigeneities and the extent to which these have been maintained as marginal to Australian national identity are the central critical themes of this book This book was published as a special issue of Sport in Society

How Student Journalists Report Campus Unrest Kaylene Dial Armstrong,2017-11-22 Journalists are trained to tell the stories of others and leave themselves out of their writing Student journalists are no different They spend their days on their college newspaper writing about what happens to others especially when what is happening involves protests sit ins riots hunger strikes and other unrest on the very campuses where they also attend school Now some of these former student reporters and editors tell their own stories of some of the challenges all student journalists face in reporting events that most administrators would rather see not covered at all For some this is the first time the stories of what happened in the newsrooms and behind the scenes will appear in print Some of the issues they discuss include censorship the role of the newspaper as the conscience of the community objective and activist journalism and the challenges of reporting crises The protests covered here represent the many concerns college student protesters have tackled through the decades integration

in 1962 the free speech movement of 1964 racial issues and the Vietnam War in 1968 and 1970 and continuing racial issues in the present Many of these former student journalists look back decades to their work in the 1960s Some discuss a more recent protest Looking back they admit they might have done things differently if they had to do it again yet all are fiercely proud of the work they did in recording the first version of history **Far Sweeter Than Honey** William
