Right of Passage Deborah Richmond Foulkes, 2011-05-27 RIGHT OF PASSAGE What the Dead say about Reincarnation is Deborah Richmond Foulkes fifth book written with Spirit It is the culmination of twelve years of research including nearly four years spent in Scotland and England validating the messages the author received from Spirit through original documents and contemporary accounts from the 13th and 14th centuries The author has combined her academic acumen for historical research with her training as a Spiritual medium In this book Deborah features several lifetimes of over a dozen souls through information disseminated from Spirit in a new way The messages from Spirit came through Deborah s own mediumship as well as the Spirit communication of other well known Mediums Accounts of several of her readings were featured in books by others including Psychic Medium Lydia Clar with her book OUT OF DARKNESS INTO LIGHT Spiritual Medium Robert Brown s first book WE ARE ETERNAL and Trance Medium Suzane Northrop s book EVERYTHING HAPPENS FOR A REASON Deborah also received substantial validation of her work during a public demonstration of Spirit Communication at the Virginia Beach retreat sponsored by Robert Brown His special guest and friend medium John Edward came to Deborah with information that substantiated her own messages from Spirit as well as her validating historical research Deborah Richmond Foulkes is a Spiritualist in the footsteps of her great great grandmother Elizabeth Foster and her cousin Horace Greely who were early supporters of Spiritualism Deborah became a Certified Medium in the Spiritualist church But while communication with the so called dead is accepted among Spiritualists the concept of multiple incarnations is not In 2000 Deborah received her first clue about a past life in Scotland She was able to verify the information from her guide in Spirit through original documents Other Spirit in her circle began to come forth with proof of their medieval lifetimes Then in 2006 the Spirit known as Archibald Douglas revealed a more recent lifetime as a young man David Lee who

grew up in western Pennsylvania and became a United States Marine I died in a jeep accident landmine Dave explained That piece of evidence was the first link to a second lifetime that ended in 1968 for the same soul who incarnated in 1296 in Scotland The author was able to validate through research that the soul had the same personality with the identical core values whether he was 2nd Lieutenant Dave Hopkins USMC or Sir Archibald Douglas Regent of Scotland That important step meant for Spiritualists that the soul is the same lifetime over lifetime Others in Spirit began to come forward with their evidence of survival And each time Deborah was able to find historical evidence to validate their claims The author was also able to show that the soul was identical in each ensuing incarnation As a breakthrough book on Reincarnation written with Spirit and validated with historic research Deborah Richmond Foulkes shares discoveries we all can both understand and believe

We Want Fish Sticks Nicholas Hirshon, 2018-12-01 The NHL's New York Islanders were struggling After winning four straight Stanley Cups in the early 1980s the Islanders had suffered an embarrassing sweep by their geographic rivals the New York Rangers in the first round of the 1994 playoffs Hoping for a new start the Islanders swapped out their distinctive logo which featured the letters NY and a map of Long Island for a cartoon fisherman wearing a rain slicker and gripping a hockey stick The new logo immediately drew comparisons to the mascot for Gorton's frozen seafood and opposing fans taunted the team with chants of We want fish sticks During a rebranding process that lasted three torturous seasons the Islanders unveiled a new mascot new uniforms new players a new coach and a new owner that were supposed to signal a return to championship glory Instead the team and its fans endured a twenty eight month span more humiliating than what most franchises witness over twenty eight years The Islanders thought they had traded for a star player to inaugurate the fisherman era but he initially refused to report and sulked until the general manager banished him Fans beat up the new mascot in the stands The new coach shoved and spit at players The Islanders were sold to a supposed billionaire who promised to buy elite players he turned out to be a con artist and was sent to prison We Want Fish Sticks examines this era through period sources and interviews with the people who lived it
